**FUNDING SUMMARY**

---

*Appropriations funding summary for HF 638, as amended. The following are the new appropriations in 2013 session law (numbers may not equal totals due to rounding):*

Page 1, Line null

**FY 2014:** Appropriates a net total of \$119.0 million from the following sources:

- \$105.1 million from the Rebuild Iowa Infrastructure Fund (RIIF).
- \$8.4 million from the Technology Reinvestment Fund (TRF).
- \$5.5 million from the General Fund.

**FY 2015:** Appropriates a net total of \$14.1 million from the following sources:

- \$8.6 million from the RIIF.
- \$5.5 million from the General Fund.

NOTE: The above funding levels reflect the new appropriations that will be in the 2013 session law. Previously enacted appropriations in prior session law or standing appropriations are **not** reflected in these funding levels. For a summary of current law appropriations and adjustments to them, see additional discussion below.

***Appropriation Adjustment Highlights***

**FY 2014 Current Law Appropriation Adjustments:**

*RIIF adjustment* - Adds a net \$5.0 million to the \$130.5 million in current law RIIF appropriations by increasing the Community Attraction and Tourism (CAT) Grants from \$5.0 million to \$10.0 million. This change is reflected on the attached RIIF balance sheet.

*TRF adjustment* - Reduces the \$10.4 million in current law TRF appropriations for FY 2014 by \$4.8 million due to elimination of the Medicaid technology appropriation from FY 2014. This change is reflected on the attached TRF balance sheet.

NOTE: Beyond the adjustments listed above, the FY 2014 current law appropriations, in either session law or Iowa Code, from the RIIF and the TRF that are **not affected** by the Bill, as amended, and remain funded

as enacted for FY 2014 are listed below. These appropriations are not affected by the Bill, but are reflected on the RIIF and TRF balance sheets that are attached.

*From the RIIF:*

- \$42.0 million for the Environment First Fund.
- \$26.8 million to the Department of Corrections (DOC) for the Mitchellville prison construction project.
- \$21.8 million to the Board of Regents for the Ag/Biosystems Complex at Iowa State University (ISU).
- \$10.3 million to the Board of Regents for the Bartlett Hall renovation at the University of Northern Iowa (UNI).
- \$9.8 million to the Board of Regents the the Dental Science Building at the University of Iowa (UI).
- \$5.0 million to the Department of Natural Resources (DNR) for state park infrastructure.
- \$3.0 million to the DOC for the Fort Madison prison construction project.
- \$3.0 million to the Iowa Finance Authority (IFA) for the Housing Trust Fund.
- \$2.5 million to the DNR for Lake Delhi dam restoration.
- \$1.0 million to the DCA for the Historical Building improvements.
- \$250,000 to the State Fair Authority for the Cultural Center renovation.
- \$200,000 to the DOC for prison construction management.

*From the TRF:*

- \$3.0 million to the Judicial Branch for the Electronic Document Management System (EDMS).
- \$2.5 million to the Department of Public Safety for radio communication upgrades.
- \$129,000 to the Department of Cultural Affairs for the Veterans oral history project at the Grout Museum District.

**FY 2015 Current Law Appropriation Adjustments:**

*RIIF adjustment* - Adds a net \$10.0 million to the \$78.6 million in current law RIIF appropriations due to extending and increasing the appropriation for the CAT Grant Program, that was slated to sunset in FY 2014. With the change, the appropriation for the CAT Grant is \$10.0 million through FY 2016.

*TRF adjustment* - Eliminates the \$1.9 million previously enacted TRF appropriation for FY 2015 by eliminating the appropriation for Medicaid technology. With the change, there are no appropriations from the TRF for FY 2015.

NOTE: Beyond the adjustments listed above, the FY 2015 current law appropriations, in either session law

or Iowa Code, from the RIIF that are **not affected** by the Bill and remain funded as enacted for FY 2015 are listed below. These appropriations are not affected by the Bill, but are reflected on the balance sheet attached.

*From the RIIF:*

- \$42.0 million for the Environment First Fund.
- \$18.6 million to the Board of Regents for the ISU Ag/Biosystems Engineering Complex.
- \$8.0 million to the Board of Regents the the UI Dental Science Building.
- \$5.0 million to the DNR for state park infrastructure.
- \$3.0 million to the IFA for the Housing Trust Fund.
- \$1.9 million to the Board of Regents for the UNI Bartlett Hall renovation.

***Total Funding for Infrastructure Budget:***

For FY 2014, total funding from the RIIF, the TRF, and the General Fund for the infrastructure budget appropriations, including all new appropriations in 2013 session law and previously enacted appropriations, and any changes to them, is \$218.1 million. For FY 2015, total funding is \$60.6 million. The appropriations of \$42.0 million from the RIIF to the Environment First Fund are not included in these totals to avoid double counting. See the RIIF and TRF balance sheets that are attached.

***Revenue Adjustment Highlights***

**FY 2013 revenue adjustment - Property Tax Credit Fund transfer and General Fund supplemental:**

Provides additional revenue to the RIIF for FY 2013 by transferring the unobligated balance from the Property Tax Credit Fund. The balance is primarily due to a reversion that occurred in FY 2012. The intention is to close out the Fund. An estimated \$1.5 million will transfer to the RIIF before the end of FY 2013. This adjustment remedies the negative balance that was reflected in the RIIF for FY 2013. In addition, the Bill as amended makes an FY 2013 General Fund supplemental transfer of \$20.0 million to the RIIF.

**FY 2014 revenue transfers - Children's Health Insurance Program (CHIP) Contingency Fund and**

**General Fund:** Transfers \$11.3 million from the CHIP Contingency Fund to the RIIF for FY 2014. The funding is directed entirely to the Department of Administrative Services for major maintenance. Also, transfers \$4.1 million from the General Fund to the RIIF for FY 2014. This is the portion of the \$17.5 million that normally is appropriated to the TRF that was not needed for that fund. See note below.

**FY 2014 adjustment - General Fund appropriation to the TRF:** Reduces the \$17.5 million standing

appropriation from the General Fund to the TRF by \$4.1 million. That amount is appropriated to the RIIF instead. The funding for the TRF from the General Fund is slated to resume at the statutory level in FY 2015.

**FY 2014 revenue adjustments - Wagering taxes:**

Reduces the amount of wagering tax revenues that deposit in the General Fund by \$30.6 million for FY 2014. The wagering tax revenues to the RIIF are increased by that amount. Other wagering tax allocations are not affected.

*Spreadsheets attached to this summary:*

**Attachment A - Infrastructure by Fund Spreadsheet** - shows only appropriations being made in the first four divisions of the Bill that will be new appropriations in 2013 session law. The spreadsheet does not show previously enacted appropriations that are in session law or Iowa Code, or any changes to them.

**Attachment B - RIIF Balance Sheet with Comparison Senate Action to House Action** - reflects all activity happening in the RIIF, including revenue adjustments, current law appropriations and any changes to them, and new appropriations in 2013 session law.

**Attachment C - Technology Reinvestment Fund Balance Sheet with Comparison** - reflects all activity in the TRF under the Bill as amended, including current law appropriations and any changes to them, and new appropriations in 2013 session law.

**NEW PROGRAMS, SERVICES, OR ACTIVITIES**

---

*Contingent Appropriation FY 2015*

Provides a contingent appropriation for FY 2015 of \$2.5 million from the RIIF for any public transit authority to develop bus rapid transit service. The contingency of receiving federal funding for the service must be met by December 31, 2014.

Page 11, Line 9

**MAJOR INCREASES/DECREASES/TRANSFERS OF EXISTING PROGRAMS**

---

*RIIF Revenue Adjustments*

Transfers \$11.3 million from the CHIP Contingency Fund to the RIIF for FY 2014 and directs the funds to be appropriated to the DAS for major maintenance.

Page 9, Line 28

Transfers \$20.0 million from the General Fund ending balance for FY 2013 to the RIIF as a supplemental appropriation for FY 2013, thus increasing available revenues in the RIIF for FY 2014.

Page 10, Line 30

Transfers \$4.1 million from the General Fund to the RIIF for FY 2014. The amount is the unneeded amount that normally is appropriated from the General Fund to the Technology Reinvestment Fund. The standing appropriation from the General Fund to the TRF is \$17.5 million, but the amount is reduced to \$13.4 million for FY 2014.

Page 10, Line 40

Transfers an estimated \$1.5 million from the Property Tax Credit Fund to the RIIF for FY 2013.

Page 10, Line 47

**CHANGES TO PRIOR APPROPRIATIONS**

---

***FY 2008 RIIF Appropriations for the DAS - Reversion Extensions:*** Extends the reversion on two FY 2008 RIIF appropriations to the DAS. One is for relocation and leasing expenses and the other for the West Capitol Terrace renovation. Both appropriations are extended through FY 2014.

Page 19, Line 42

***FY 2009 Revenue Bond Capitals Fund (RBC) Appropriations - Reversion Extensions:*** Extends the reversion dates for several FY 2009 RBC appropriations. The changes are:

Page 20, Line 33

- Iowa Veterans Home renovation - Extension through FY 2018.
- DAS major maintenance - Extension through FY 2014.
- CAT Grants - Extension through FY 2015.
- River Enhancement Community Attraction and Tourism (RECAT) Grants - Extension through FY 2015.
- Accelerated Career Education (ACE) Infrastructure - Extension through FY 2015.

***Prison Bonding Fund - Fort Madison Prison Construction Reversion Extension:*** Extends the reversion on the appropriation from the Prison Bonding Fund to the DOC for the prison construction project at Fort Madison. The extension is through FY 2014.

Page 21, Line 30

***FY 2010 RBC Appropriations - Reversion Extensions:*** Extends the reversion on two FY 2010 RBC appropriations that were appropriated to the IFA, that include:

Page 21, Line 41

- Wastewater and Water Quality Grants - Extended through FY 2015.
- Affordable Housing Assistance Grants - Extended through FY 2014.

***Wallace Building Appropriation - Funds for Relocation:*** Adds language to an FY 2010 appropriation for Wallace Building improvements that requires \$800,000 to be used for relocation costs for moving employees out of the Wallace Building by December 31, 2013. Section 45 extends the reversion on the appropriation through FY 2014. Page 22, Line 25

***FY 2010 RIIF Appropriations for the DAS - Reversion Extensions:*** Extends the reversion on two FY 2010 RIIF appropriations to the DAS for Capitol restoration and Wallace Building improvements. Both appropriations are extended through FY 2014. Page 22, Line 41

***Department of Human Services - Medicaid Technology Funding Elimination:*** Eliminates the previously enacted TRF funding for FY 2014 and FY 2015 for Medicaid technology. Page 23, Line 13

***Iowa Vertical Infrastructure Advisory Committee - Remove Obsolete Reference:*** Removes a reference to the former Iowa Vertical Infrastructure Advisory Committee in a 2012 session law appropriation to the DAS because the reference is obsolete due to the elimination of the Committee in August 2012. Page 23, Line 48

***DCA - Historical Building Appropriations:*** Adds language to previously enacted appropriations for the Historical Building that requires a study of selling the existing building and relocating to a location on the Capitol Complex. Page 24, Line 6

**SIGNIFICANT CODE CHANGES**

---

***I-JOBS Board Elimination and Funds Reversion:*** Eliminates the I-JOBS Board and transfers the responsibilities to the Iowa Finance Authority (IFA). Provides that any monies unobligated from the \$165.0 million appropriated in FY 2009 from the Revenue Bonds Capitals Fund (RBC), and allocated through the Board, will revert to the RBC. Page 11, Line 40

***Wagering Tax Allocation Change:*** Reduces the wagering tax allocation to the General Fund for FY 2014. Page 17, Line 29

**FISCAL IMPACT:**

**FY 2014:** Reduces the wagering tax revenues to the General Fund by \$30.6 million and increases the amount of wagering tax revenue that is deposited in the RIIF by the same amount.

**NOTE:** All other wagering tax allocations under Iowa Code section 8.57 are not affected.

***Technology Reinvestment Fund - Reduction:*** Reduces the standing appropriation from the General Fund to the TRF for FY 2014. The standing appropriation is \$17.5 million, and is reduced to \$13.4 million. The difference, \$4.1 million, is transferred to the RIIF from the General Fund for FY 2014 in Division VI. Page 18, Line 12

***Community Attraction and Tourism Grant Program - Criteria Change, Extension, and Increase:*** Section 34 adds criteria regarding attracting the highest numbers of visitors and match levels to the CAT Program. Section 35 extends the appropriation to the CAT Program through FY 2016 and increases it by \$5.0 million for a total of \$10.0 million annually. Page 18, Line 46

***Wagering Tax Statutes - Conforming Changes:*** Sections 36 through 39 make conforming and technical changes to the Iowa Code sections related to the wagering tax receipts from land-based and riverboat casinos. The change removes the language that directed the funds to be deposited to the General Fund and states that funds will be deposited in accordance with Iowa Code section 8.57. The wagering tax allocations have been maintained in accordance with Iowa Code section 8.57 since the 1996 Legislative Session, but the corresponding sections in Iowa Code chapters 99D and 99F had not been amended to reflect that change. Page 19, Line 7

**EFFECTIVE DATE**

---

Section 7 providing an FY 2013 supplemental transfer from the General Fund to the RIIF is effective on enactment. Page 10, Line 37

Section 10 requiring transfer of the unobligated balance of the Property Tax Credit Fund to the RIIF is effective on enactment. Page 11, Line 6

Division XI related to changes to prior appropriations is effective on enactment. Page 24, Line 27

H1382 Senate Amendment to

1 1 Amend House File 638, as passed by the House, as  
1 2 follows:  
1 3 1 By striking everything after the enacting clause  
1 4 and inserting:

1 5 DIVISION I  
1 6 REBUILD IOWA INFRASTRUCTURE FUND

Division I provides appropriations from the Rebuild Iowa Infrastructure Fund (RIIF).

1 7 Section 1. There is appropriated from the rebuild  
1 8 Iowa infrastructure fund to the following departments  
1 9 and agencies for the following fiscal years, the  
1 10 following amounts, or so much thereof as is necessary,  
1 11 to be used for the purposes designated:  
1 12 1. DEPARTMENT OF ADMINISTRATIVE SERVICES  
1 13 a. For projects related to major repairs and major  
1 14 maintenance for state buildings and facilities:  
1 15 FY 2013-2014:  
1 16 ..... \$ 14,000,000  
1 17 Of the amount appropriated in this lettered  
1 18 paragraph, \$250,000 shall be allocated for the  
1 19 disposition and relocation of structures located at 707  
1 20 east locust and 709 east locust, Des Moines, Iowa.  
1 21 Of the amount appropriated in this lettered  
1 22 paragraph, \$1,800,000 shall be allocated for relocation  
1 23 costs for moving employees out of the Wallace building  
1 24 including moving costs and lease adjustments. As a  
1 25 condition of this allocation, all employees currently  
1 26 located in the Wallace building shall be relocated to a  
1 27 new office location by December 31, 2013, pursuant to  
1 28 the department's competitive bidding process for office  
1 29 space.  
1 30 Moneys appropriated in this lettered paragraph shall  
1 31 not be used for the state historical building.

Rebuild Iowa Infrastructure Fund appropriation to the Department of Administrative Services (DAS) for major maintenance, major repairs, and improvements to facilities throughout the State that are under the management of the DAS. Monies appropriated may not be used for projects at the State Historical Building.

DETAIL: This is an increase of \$3,750,000 compared to estimated FY 2013. The level of funding for major maintenance has varied over the years. In FY 2013, the DAS received \$10,250,000 from the RIIF. The DAS received a total of \$2,520,000 from the Revenue Bonds Capitals Fund (RBC) and Revenue Bonds Capitals II Fund (RBC2) for FY 2012; \$3,000,000 from the RBC for FY 2011; \$195,484 from the Restricted Capital Fund (RCF) for FY 2010; and \$2,000,000 from the RIIF and \$14,624,923 from the RBC for FY 2009. The FY 2009 appropriation from the RBC was not available until FY 2010 when the revenue bonds were issued. The last large influx of funding was in FY 2008, with \$40,000,000 from the Vertical Infrastructure Fund. In addition to the \$4,000,000 for FY 2014 from the RIIF, Division III provides additional major maintenance funding of \$11,310,648 for FY 2014, for a total of \$25,310,648.

- Allocates \$250,000 for the disposition and relocation of structures located at 707/709 East Locust Street (Rowhouse and Community College Trustees buildings). Section 40 extends the reversion on an FY 2008 RIIF appropriation that is for completion of the West Capitol Terrace. Once the disposition of the 707/709 buildings is completed, that project will be finished.
- Allocates \$1,800,000 of the funds for relocation of employees from the Wallace Building to a new location by December 31, 2013. The new location must be selected through the competitive bidding process for office space. Section 45 extends the reversion on an FY 2010 RIIF appropriation for improvements to extend the useful life of the Wallace Building. Section 44 adds similar language about the relocation of the employees to the FY 2010 appropriation and provides an allocation of \$800,000 that remains on the FY 2010 appropriation. In addition, Section 1.3 allocates \$500,000 of the

FY 2014 and FY 2015 appropriations for Wallace Building improvements for purposes of relocation costs. The total amount that the DAS will have available for costs associated with relocation of Wallace Building employees is \$3,100,000.

Major maintenance funds are used to correct deficiencies in State buildings and make a wide range of repairs. Twelve state agencies and divisions participate in the DAS Vertical Infrastructure Program. The Program includes approximately 900 buildings at more than 70 locations across the State, and approximately 12,000,000 square feet, representing approximately 20.00% of all State-owned buildings. Projects are ranked by priorities as follows in order: threats to health, life, and safety; nonemergency repairs to prevent exponential damage; increasing or maintaining access in accordance with the Americans with Disabilities Act (ADA); scheduled maintenance in order to prolong the equipment or building life; projects to increase operational or energy efficiency; and demolition. Emergency repairs are made as needed and sometimes bump a lower priority project on the list when they arise. As of March 2013, the Program identified \$99,019,913 in major maintenance projects that remain unfunded, including \$230,000 in priority one (health, life, safety), and \$30,810,000 in priority two (exponential damage).

*The House appropriates \$18,000,000 over two fiscal years, with \$4,000,000 in FY 2014 and \$14,000,000 in FY 2015. The House does not include the restriction on the State Historical building. The House does not include the allocations for the disposition of the 707/709 buildings or for relocation of employees in the Wallace Building.*

1	32	b.	For routine and preventative maintenance,	
1	33		notwithstanding section 8.57, subsection 5, paragraph	
1	34		"c":	
1	35		FY 2013-2014:	
1	36		.....	\$ 5,000,000

Rebuild Iowa Infrastructure Fund appropriation to the DAS for routine and preventative maintenance. This appropriation notwithstanding the definition of vertical infrastructure. Monies appropriated must be used for facilities on the Capitol Complex, except for the Wallace Building and the State Historical Building.

DETAIL: Funding has not been provided for routine maintenance since FY 2010, when \$3,000,000 was appropriated from the RIIF. Routine maintenance funds go through the DAS via the same Vertical Infrastructure Program as major maintenance, and covers 12 agencies, approximately 900 buildings and 12,000,000 square feet. Iowa Code section 7E.5A requires agencies to include proposed costs for annual routine and preventative maintenance based on one percent of the

estimated replacement cost of the agency's facilities. The DAS has estimated replacement value of the buildings in the Program at approximately \$2,000,000,000, so the estimated costs for routine maintenance is \$20,000,000, as reflected in the DAS annual request. Prior funding levels were \$3,000,000 in FY 2009, \$5,000,000 in FY 2008, and \$2,536,500 in FY 2007, all from the RIIF.

Routine maintenance funds are used for preventative and ongoing maintenance that is necessary to delay or prevent the failure of building systems and equipment. Building operational costs and janitorial services are not considered to be routine maintenance. Examples of routine and preventative maintenance projects include upgrades of building components, re-roofing, sealing/caulking, tuckpointing, upgrades of alarm detectors and energy systems, repairing cracked sidewalks, and other maintenance necessary to maintain the useful life of the building and prevent further deterioration that escalates to major maintenance.

*The House appropriates \$5,750,000 over two fiscal years, with \$2,750,000 in FY 2014 and \$3,000,000 in FY 2015. The House does not have the restrictions regarding the Capitol Complex and the Wallace and State Historical buildings.*

1 37 Moneys appropriated in this lettered paragraph shall  
 1 38 be used for capitol complex grounds except for projects  
 1 39 at the Wallace and the state historical buildings.  
 1 40 c. For costs associated with the planning and  
 1 41 design of the Wallace office building, including roof  
 1 42 repair:

1 43	FY 2013-2014:		
1 44	.....	\$	500,000
1 45	FY 2014-2015:		
1 46	.....	\$	3,900,000

1 47 Of the amount appropriated in this lettered  
 1 48 paragraph for FY 2013-2014, \$500,000 shall be allocated  
 1 49 for relocation costs for moving employees out of the  
 1 50 Wallace building including moving costs and lease  
 2 1 adjustments. As a condition of this allocation, all  
 2 2 employees currently located in the Wallace building  
 2 3 shall be relocated to a new office location by December  
 2 4 31, 2013, pursuant to the department's competitive  
 2 5 bidding process for office space.

Rebuild Iowa Infrastructure Fund appropriations to the DAS for planning and design of the Wallace Building. Allocates \$500,000 of the funds for costs associated with relocation of employees from the Wallace Building.

DETAIL: Appropriates \$4,400,000 over two fiscal years. Funds will be used for immediate roof repairs, and planning, study, and design regarding a complete renovation or other disposition of the Wallace Building. Allocates \$500,000 for relocation costs for moving employees out of the Wallace Building by December 31, 2013. Sections 1.1(a) and 44 provide additional funds, \$1,800,000 and \$800,000, respectively, for relocation costs for moving the employees from the building.

The Wallace Building was completed in 1978 for an estimated \$10,400,000, not including planning and design, landscaping, artwork, or moving expenses. The building currently has approximately 229,000 gross square feet. During the 2004 Legislative Session, the General Assembly authorized the expenditure of \$230,000 for a comprehensive evaluation of the Wallace Building to determine whether renovation or demolition would be the most cost effective to correct deficiencies. The consultant at the time recommended renovation. Funding was not provided for a complete renovation. The 2010 Capitol Complex Master Plan, included the demolition of the Wallace Building in Phase 1,

between the years 2010 and 2020. A new state office building, was in the early stages of planning at the time, as was the acquisition and occupation of the Mercy Capitol Hospital, both part of the Plan, but during the 2009 Legislative Session funds for the new office building were deappropriated. In order to extend the useful life of the Wallace Building, appropriations included \$625,000 in FY 2006 and \$1,500,000 in FY 2010 for immediate repairs and improvements related to heating, ventilation, and air conditioning (HVAC) systems, sound control, a parking ramp, stairways, and lab space renovation. At the time of the FY 2010 appropriation, the goal was to extend the useful life for approximately five years while the General Assembly and Governor determined the future of the Wallace Building and whether a new office building will be built.

In early 2012, renewed focus on the future of the Wallace Building and the Iowa Building (former Mercy Capitol Hospital) prompted the DAS to have three private firms review the buildings and make recommendations. The three firms agreed in their recommendations that it was more cost effective to demolish the Iowa Building and renovate the Wallace Building. An estimated \$50,700,000 is the projected total for design costs, preconstruction management, actual construction and construction management, and relocation and lease costs of agencies during construction. After renovation, it is anticipated the building will have approximately 240,000 gross square feet. This total does not reflect the one-time furniture, fixture, and equipment (FF&E) costs, including data wiring and connections, for completing the renovation and making the building ready for use. It is estimated that approximately \$6,000,000 will be needed for FF&E costs to finalize the building. The DAS advises that the amount for FF&E is likely to change as the renovation design is finalized, especially if final design provides that floor plates are not fully extended or there is more space allocated for storage.

*The House appropriates \$50,700,000 over four fiscal years for the complete renovation project. Funding levels for FY 2014 and FY 2015 are the same. The House does not include an allocation for relocation costs.*

2	6	d. For costs associated with capitol interior and	
2	7	exterior restoration, including the installation of a	
2	8	lightning protection system:	
2	9	FY 2013-2014:	
2	10	..... \$	330,000
2	11	2. DEPARTMENT OF CULTURAL AFFAIRS	

Rebuild Iowa Infrastructure Fund appropriation to the DAS for Capitol interior and exterior restoration, including the installation of a lightning protection system.

DETAIL: The last time the DAS received funding for Capitol restoration was in FY 2010 with an appropriation of \$5,000,000 for interior and

exterior restoration to the Capitol Building, including compliance with building codes and federal ADA. The DAS has not received any new funding for Capitol restoration since the FY 2010 appropriation. Of the appropriation, approximately \$270,000 remains available for additional improvements. In particular, the DAS has identified the need for installation of a lightning protection system on the Capitol building. The total lightning protection system project is estimated at \$600,000. The DAS will use the remaining amount available from the FY 2010 appropriation in addition to the new appropriation. Section 45 extends the reversion on the FY 2010 appropriation through FY 2014.

The purpose of a lightning protection system is to intercept lightning discharges, safely conduct them, and dissipate the currents into the ground. The ultimate goal for providing this system at the Capitol is to minimize the effects of lightning currents both to the architectural structure and the electrical and other electronic components of the building. The design is made up of air terminals on the roof of the structure, grounding conductor downloads around the exterior of the building and a grounding conductor loop buried below grade around the building. The system has been designed to ensure the existing building and all of its components fit into the "zone of protection" it creates. In the event of a lightning strike the new system is intended to divert the lightning current to ground without traveling through the building and the existing electrical systems. The Capitol building does not have this protection currently and when lightning strikes the building or nearby, electrical systems and equipment have been affected.

*The House makes the same appropriation.*

2 12 For deposit into the Iowa great places program  
 2 13 fund created in section 303.3D for Iowa great places  
 2 14 program projects that meet the definition of "vertical  
 2 15 infrastructure" in section 8.57, subsection 5,  
 2 16 paragraph "c":  
 2 17 FY 2013-2014:  
 2 18 ..... \$ 1,000,000

Rebuild Iowa Infrastructure Fund appropriation to the Department of Cultural Affairs (DCA) for the Great Places Infrastructure Grant Program.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. The funding continues the Iowa Great Places initiative to enhance the cultural development of Iowa communities. The Program was established during the 2005 Legislative Session. Then during the 2006 Legislative Session, HF 2782 (FY 2007 Infrastructure Appropriations Act) created the Iowa Great Places Program Fund and provided \$3,000,000 from the RC2 for FY 2007 and \$3,000,000 from the RIIF for FY 2008. The Program received \$2,000,000 in FY 2009 and \$1,900,000 in FY 2010 from the RIIF; \$2,000,000 in FY 2011 from the RBC; and \$1,000,000 in FY 2012 from the RIIF.

The projects in the Great Places Program are capital projects that

must meet the definition of vertical infrastructure. Approved grants include infrastructure projects such as park creation and development, acquisition and renovation of historical buildings, renovation and expansion of museums, and recreational trails design and construction. Recent projects approved include the Stone Building renovation in the Villages of Van Buren County, city recreational trails in Clermont, Elgin, and Elkader in the Turkey River Corridor, Lowe Park Amphitheater and Sculpture Trails Phase II in Marion, and Jens Jensen Prairie Landscape Park in the Danish Villages.

There are 28 designated Great Places across the State, including Clinton, Coon Rapids, Sioux City, Adams County, Dubuque, Fairfield, Guttenberg, Jackson County, Mason City, Appanoose County, Charles City, Council Bluffs, Davenport, Decorah, Perry, Valley Junction, Maquette-McGregor, Spencer, Warren County, West Union, Greater Cedar Valley Alliance, Iowa City-Coralville-North Liberty, Marion, Tama County, Turkey River Corridor (Clermont, Elgin and Elkader), the Villages of Van Buren County, the Danish Villages (Elk Horn and Kimballton), and Hamilton-Webster Counties.

*The House makes the same appropriation for FY 2014 and appropriates \$1,000,000 for FY 2015.*

2 19 3. ECONOMIC DEVELOPMENT AUTHORITY

2 20 a. For equal distribution to regional sports

2 21 authority districts certified by the economic

2 22 development authority pursuant to section 15E.321,

2 23 notwithstanding section 8.57, subsection 5, paragraph

2 24 "c":

2 25 FY 2013-2014:

2 26 ..... \$ 1,000,000

Rebuild Iowa Infrastructure Fund appropriation to the IEDA for Regional Sports Authority Districts. This appropriation notwithstanding the definition of vertical infrastructure.

DETAIL: This is an increase of \$500,000 compared to estimated FY 2013. The Regional Sports Authority District Program authorizes the IEDA to certify up to 10 districts for the promotion of youth sports, high school athletics, the Special Olympics, or other nonprofessional sporting events. Each district receives an equal share of the appropriation. Funding is awarded to the Convention and Visitors Bureaus (CVB) for the areas. The funds are used for marketing and other promotional efforts to attract youth sports, high school athletics, or other sporting events into the communities. In addition, the funds are used for venue rental, facility conversion, timing systems, field preparation, and other expenses related to hosting the various sporting events. For FY 2013, the districts include: Ames CVB, Cedar Rapids Area CVB, Dubuque Area CVB, Council Bluffs CVB, Grinnell CVB, Quad Cities CVB, Sioux City CVB, Visit Mason City, Inc., Waterloo CVB, and Greater Des Moines CVB.

Some recent examples of the events are the Iowa Special Olympic Winter Games, AAU Junior Olympics, NAIA Div II Women's Basketball

National Championship, US Hockey League Fall Classic, NCAA Div II Super Regional Wrestling Tournament, the Iowa Summer Games Sports Festival, and the NCAA Division I Wrestling Championships.

*The House appropriates \$1,000,000 over two fiscal years, with \$500,000 in both FY 2014 and FY 2015.*

2 27 b. For deposit into the river enhancement community  
2 28 attraction and tourism fund created in section 15F.205:  
2 29 FY 2013-2014:  
2 30 ..... \$ 2,000,000

Rebuild Iowa Infrastructure Fund appropriation to the River Enhancement Community Attraction and Tourism (RECAT) Fund for infrastructure grants.

DETAIL: The RECAT grant program was established during the 2008 Legislative Session. Initially, funding was provided through FY 2013. During the 2011 Legislative Session, funds were deappropriated so that the only appropriation made to the RECAT program was the \$9,200,000 from the RBC in FY 2009. Section 41 extends the reversion of the FY 2009 appropriation through FY 2015. Funds are used for grants for community attraction and tourism infrastructure projects in communities along lakes, rivers, and river corridors throughout Iowa. Projects are approved through the Vision Iowa Board and must meet the definition of vertical infrastructure. Projects have included constructing a park performance structure, improving pedestrian bridges and viewing plazas, constructing and renovating marina service buildings, and various other riverfront improvements.

*The House does not make this appropriation.*

2 31 c. For renovations, expansions, and enhancements  
2 32 to facilities for an adult day program at a year-round  
2 33 camp for persons with disabilities in a central Iowa  
2 34 city with a population between one hundred ninety-five  
2 35 thousand and two hundred five thousand in the latest  
2 36 preceding certified federal census:  
2 37 FY 2013-2014:  
2 38 ..... \$ 250,000

Rebuild Iowa Infrastructure Fund appropriation for improvements and expansion to facilities at the Easter Seals Camp Sunnyside to provide an adult day program for adults with disabilities.

DETAIL: This is the third year of funding for camp renovations. Prior funding, \$125,000 in FY 2013 and \$250,000 in FY 2012, was used to renovate the kitchen and cabins at the camp, respectively. The camp is on 80 acres near Johnston, Ankeny, and northwest of downtown Des Moines. Camp Sunnyside is over 50 years old and provides year-round camp experiences for campers of all ages and abilities. The adult day program, Life Club, is focused on helping and providing skill building for people with disabilities. Life Club provides year-round services for adults in the program. The program is currently operating at 100.00% capacity and is in need of additional space. In addition, restrooms and personal care rooms are in need of renovation to comply with ADA requirements and improve safety for people using those facilities. Funds will be used to expand and renovate the space and make the necessary improvements to meet ADA requirements.

*The House does not make this appropriation.*

2 39 d. To Iowa state university of science and  
 2 40 technology for the modernization and renovation of  
 2 41 animal care facilities at the Blank Park Zoo including  
 2 42 the expansion of the surgical facility and the  
 2 43 renovation of dormitory space:  
 2 44 FY 2013-2014:  
 2 45 ..... \$ 1,000,000

Rebuild Iowa Infrastructure Fund appropriation for ISU College of Veterinary Medicine for improvements and renovation of the veterinary surgical facilities at the Blank Park Zoo in Des Moines.

DETAIL: The College and Blank Park Zoo have been collaborating since July 2011 to provide an exotic animal rotation for veterinary students at ISU. Funds will be used to further expand the rotation experience for students as well as modernize the on-site care facilities by expanding the surgical facilities to include a surgical theater to allow more students to view animal care and provide dormitory space for veterinary students participating in the rotation. In addition, funds will be used for improvements to the holding space for animals under treatment and the nursery/critical care unit for animals requiring special attention. The Zoo plans to incorporate the expanded facility into a space viewable by the general public to allow for educational opportunity for any person visiting the Zoo. The College received \$400,000 from the RIIF in FY 2012 to purchase surgical and other equipment as part of the collaborative effort.

*The House does not make this appropriation.*

2 46 e. For administration and support of the world  
 2 47 food prize including the Borlaug/Ruan scholar program,  
 2 48 notwithstanding section 8.57, subsection 6, paragraph  
 2 49 "c":  
 2 50 FY 2013-2014:  
 3 1 ..... \$ 200,000

Rebuild Iowa Infrastructure Fund appropriation to the World Food Prize for administration and support for the Borlaug/Ruan Scholar Program. This appropriation notwithstanding the definition of vertical infrastructure.

DETAIL: This is an increase of \$100,000 compared to estimated FY 2013. The funds are used for administration and support of the World Food Prize and for the Borlaug/Ruan Scholar Program. The World Food Prize has a standing appropriation from the General Fund of \$1,000,000 in accordance with Iowa Code section 15.368, but funding has been reduced in recent fiscal years. The Borlaug/Ruan Scholar Program is an international program that provides high school students with experiences of working with scientists and policymakers at research centers in Africa, Asia, Latin America, and the Middle East. Since 1998, over 180 Borlaug/Ruan interns have traveled to Bangladesh, Brazil, China, Costa Rica, Egypt, Ethiopia, India, Indonesia, Kenya, Malaysia, and other countries.

*The House does not make this appropriation.*

3 2 f. For costs associated with the hosting of a  
 3 3 national junior Summer Olympics by a nonprofit sports  
 3 4 organization, notwithstanding section 8.57, subsection  
 3 5 6, paragraph "c":  
 3 6 FY 2013-2014:  
 3 7 ..... \$ 250,000

Rebuild Iowa Infrastructure Fund appropriation for costs associated with the Amateur Athletic Union (AAU) Junior Olympics during Summer 2014. This appropriation notwithstanding the definition of vertical infrastructure.

DETAIL: This is a new appropriation. The City of Des Moines will be hosting the AAU Jr. Olympics in July and August of 2014. The appropriation will assist with costs associated with activities, exhibitors, marketing, and promotion. The AAU Jr. Olympics is a multiyear sport youth event that is rotating through the United States, currently through Des Moines, Detroit, New Orleans, Hampton Roads, and Houston. Des Moines previously hosted the games in 1995, 2004, and 2009. An appropriation of \$200,000 from the RIIF was provided in FY 2010 for the 2009 Junior Olympics.

*The House does not make this appropriation.*

3 8 4. DEPARTMENT OF EDUCATION  
 3 9 a. For accelerated career education program capital  
 3 10 projects at community colleges that are authorized  
 3 11 under chapter 260G and that meet the definition of  
 3 12 the term "vertical infrastructure" in section 8.57,  
 3 13 subsection 5, paragraph "c":  
 3 14 FY 2013-2014:  
 3 15 ..... \$ 6,000,000

Rebuild Iowa Infrastructure Fund appropriation for the Accelerated Career Education (ACE) Program vertical infrastructure projects at community colleges.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. The Program received \$5,000,000 from the RIIF in FY 2012, \$5,500,000 from the RBC2 in FY 2011 and \$5,500,000 from an FY 2009 RBC appropriation that was not available until FY 2010. The Program received \$11,000,000 for FY 2008 and FY 2009 from the RIIF and the Endowment for Iowa's Health Restricted Capitals Fund (RC2). Projects funded by the State appropriation must meet the definition of vertical infrastructure. In previous fiscal years, the funds have been used for constructing or expanding facilities for programs in dental hygienics, diesel technology, physical therapy, welding technology, mortuary science, automotive technology, nursing, health information, laboratory technicians, electromechanical systems technology, culinary arts, and wind energy and turbine technology. Funds are allocated equally to all the community colleges.

The ACE Program includes a contribution by businesses and prospective employers for 20.00% of the costs associated with the specific training program costs. The businesses qualify to offset these matching fund costs with State income tax credits. Students are not employees of the businesses when taking the training class, but may look for work in the sponsoring business after graduation from the Program.

*The House makes the same appropriation for FY 2014 and appropriates \$6,000,000 for FY 2015.*

3 16 b. For major renovation and major repair needs,  
 3 17 including health, life, and fire safety needs and for  
 3 18 compliance with the federal Americans with Disabilities  
 3 19 Act for buildings and facilities under the purview of  
 3 20 the community colleges:  
 3 21 FY 2013-2014:  
 3 22 ..... \$ 1,000,000

Rebuild Iowa Infrastructure Fund appropriation for major maintenance and general infrastructure improvements at community colleges.

DETAIL: Community colleges have received funding for infrastructure improvements at various levels. The FY 2013 appropriation of \$5,000,000 from the Mortgage Servicing Settlement Fund included authorization for routine maintenance and building operations as well as major maintenance. In FY 2012, funding was \$1,000,000 from the RIF. In FY 2011, community colleges received \$2,000,000 from the RBC2. Community colleges received \$2,000,000 annually for fiscal years FY 2007 through FY 2009 from several funds. The FY 2009 RBC funding was not available until FY 2010. Typically, the funds are allocated through the State Aid distribution formula established in Iowa Code section 260C.18C.

Projects completed with previous funding for major maintenance and general infrastructure include items such as fire alarm updates, roof replacements, HVAC upgrades, parking lot improvements, fire safety improvements, installation of ADA compliant power doors, sidewalk repairs, doors, lighting, bathroom upgrades for ADA compliance, and new generators. The 15 community colleges have indicated there is an estimated \$80,000,000 in deferred maintenance needs at all of their facilities.

*The House makes the same appropriation for FY 2014 and appropriates \$1,000,000 for FY 2015.*

3 23 5. DEPARTMENT OF HUMAN SERVICES  
 3 24 a. For a grant to a nonprofit child welfare,  
 3 25 juvenile justice, and behavioral health agency for  
 3 26 the construction of a psychiatric medical institution  
 3 27 for children in a city with a population between  
 3 28 twenty-eight thousand and twenty-nine thousand in the  
 3 29 latest preceding certified federal census:  
 3 30 FY 2013-2014:  
 3 31 ..... \$ 500,000  
 3 32 FY 2014-2015:  
 3 33 ..... \$ 500,000

Rebuild Iowa Infrastructure Fund appropriations for the Four Oaks Psychiatric Medical Institution for Children (PMIC) for construction of a new facility.

DETAIL: These are new appropriations for FY 2014 and FY 2015. Four Oaks is a nonprofit agency that provides prevention, community and school-based, and residential programs for children. In addition, some areas provide shelter and emergency services. One of the three residential treatment programs, the PMIC, has locations in Mason City and Cedar Rapids. The existing Four Oaks building in Mason City is the former MacNider house. The building was built in 1929 and has a capacity for 42 children, ages five through 12, with behavioral and mental health disorders. Typically, children stay for nine to twelve months. The existing building has safety and severe overcrowding issues. The new facilities (three residential unit buildings) will replace the existing beds, and also be located in Mason City nearer to existing

services from other education and human services agencies. In addition to the State funding, the project is receiving \$1,000,000 in private donations, and \$1,000,000 from the nonprofit's tax-exempt bond issuance. Total space of the new facilities will be 22,180 square feet. The project is planned to begin in August 2013 and finish by the end of calendar year 2014.

*The House makes the same appropriations.*

3 34	b. For a grant to a nonprofit agency that provides		
3 35	innovative solutions to children and adults with autism		
3 36	in a city with a population between fourteen thousand		
3 37	five hundred and fifteen thousand five hundred in the		
3 38	latest preceding certified federal census for costs		
3 39	associated with improvements to facilities:		
3 40	FY 2013-2014:		
3 41	.....	\$	400,000
3 42	FY 2014-2015:		
3 43	.....	\$	400,000

Rebuild Iowa Infrastructure Fund appropriations for The Homestead to provide facilities for the Children's Autism Project.

DETAIL: These are new appropriations for FY 2014 and FY 2015. Funds will be used to renovate buildings in order to provide clinic space. The Homestead is a nonprofit agency that provides services and solutions for people with autism. The core of the agency's services focuses on Applied Behavior Analysis (ABA) intervention. The Children's Autism Project is an effort to provide one-to-one treatment for children ages 3 to 8 years old, in order to provide intensive early intervention using ABA. The Homestead opened a clinic in Hiawatha (also serving Cedar Rapids area) in March 2013 and plans to open one in Clive in FY 2014, and two clinics, in Waterloo and Davenport, in FY 2015. In addition to the RIIF appropriations, Section 3.3 provides a FY 2014 Technology Reinvestment Fund appropriation for video technology and Internet services for the clinics.

*The House makes the same appropriations.*

3 44	c. For the renovation and construction of certain		
3 45	nursing facilities, consistent with the provisions of		
3 46	chapter 249K:		
3 47	FY 2013-2014:		
3 48	.....	\$	500,000

Rebuild Iowa Infrastructure Fund appropriation to the Department of Human Services (DHS) to provide assistance to nursing homes for facility improvements.

DETAIL: This is an increase of \$250,000 compared to estimated FY 2013. The Nursing Home Financial Assistance Program in Iowa Code chapter 249K was established in HF 911 (FY 2008 Infrastructure Appropriations Act) to support the appropriate number of nursing facility beds for the State's citizens and to financially assist nursing facilities in remaining compliant with applicable health and safety regulations. The nursing home facility improvements effort received a \$1,000,000 appropriation in FY 2008 and \$600,000 in FY 2009 from the RIIF. During the 2010 Legislative Session, SF 2366 (FY 2010 Appropriations Adjustment Act) deappropriated \$1,400,000 from those appropriations because the Department of Human Services had received federal funds for the improvements. In FY 2012, they received

\$285,000 from the RIIF.

Projects include replacing nursing wings, adding skilled nursing facility specialty wings, facility demolition and replacement, and other related improvements. The projects receive federal funding in addition to the State funds. Prior projects include improvements at The New Homestead (Guthrie Center), Valley Manor (Rock Valley), and Westwood Nursing and Rehabilitation Center. In FY 2013, funds are being used for Davenport Good Samaritan Center, Great River Medical Center (Burlington), Methodist Manor (Storm Lake), Lemars Good Samaritan, and St. Francis Manor (Grinnell). These projects are ongoing and will reapply for FY 2014 funds, if available. An additional project slated to apply for FY 2014 funding is the Fleur Heights Care Center (Des Moines). The Iowa Medicaid Enterprise, in the DHS, administers the program and receives and reviews the applications for funding.

*The House appropriates \$300,000 for FY 2014.*

3	49	d. For a publicly owned acute care teaching		
3	50	hospital located in a county with a population between		
4	1	four hundred thousand and four hundred fifty thousand		
4	2	in the latest preceding certified federal census for		
4	3	the construction and expansion of inpatient mental		
4	4	health facilities and for the construction of an		
4	5	outpatient clinic building:		
4	6	FY 2013-2014:		
4	7	.....	\$	3,000,000
4	8	FY 2014-2015:		
4	9	.....	\$	3,000,000

Rebuild Iowa Infrastructure Fund appropriations for improvements and expansion of inpatient mental health facilities and construction of an outpatient clinic building at Broadlawns Medical Center in Polk County.

DETAIL: Appropriates \$6,000,000 over two fiscal years. Broadlawns Medical Center is an acute care, community hospital supported by specialty clinics. The Medical Center serves mental health patients from 66 of the counties in the State. The expanded inpatient facilities will allow the Medical Center to provide 23-hour observation, subacute and additional inpatient beds, and other improvements in conjunction with the Mental Health Redesign Initiative. Current utilization of the inpatient unit is 95.00%. The new clinic building will provide easy access to centralized services and increase efficiencies for serving patients. Included in the new clinic building will be mental health services, a dental program, and a family medicine residency program. The Medical Center has received corporate grants and private donations and has undergone a capital campaign to raise \$15,850,000 for both the inpatient unit and the outpatient clinic building projects.

*The House does not make this appropriation.*

4	10	6. DEPARTMENT OF PUBLIC DEFENSE		
4	11	a. For major maintenance projects at national guard		
4	12	armories and facilities:		
4	13	FY 2013-2014:		
4	14	.....	\$	2,000,000

Rebuild Iowa Infrastructure Fund appropriation to the Department of Public Defense for major maintenance projects at National Guard facilities throughout the State.

DETAIL: Maintains the current level of funding compared to estimated

FY 2013. State funds for FY 2014 and FY 2015 will be matched 1:1 with federal funds for the first \$1,500,000. Funding above that level is matched with federal funds at a ratio of four to one. Therefore, the \$2,000,000 in State funds will draw down \$3,500,000. Funds provide major maintenance to the National Guard's readiness centers. Projects include roof repairs, upgrades to HVAC, electrical, and plumbing systems, additional classroom and office space, and other major maintenance and improvement projects at all 41 armories and numerous other buildings that are maintained by the Iowa National Guard. The Iowa National Guard armories are facing a backlog of deferred maintenance and equipment upgrade needs. Funding will be used for priority and emergency repairs first and begin to address the backlog per funding available.

*The House makes the same appropriation for FY 2014 and appropriates \$2,000,000 for FY 2015.*

4 15 b. For construction improvement projects at  
 4 16 statewide readiness centers:  
 4 17 FY 2013-2014:  
 4 18 ..... \$ 2,000,000

Rebuild Iowa Infrastructure Fund appropriation to the DPD for modernization and improvement projects at National Guard readiness centers around the State.

DETAIL: This is a decrease of \$50,000 compared to estimated FY 2013. The modernization effort received \$1,800,000 each year from FY 2009 through FY 2012. State funds will be matched one to one with federal funds. The initial federal funds, known as "Murtha funds," were part of a one-time increase of \$94,900,000 that was made available through the federal FY 2008 Department of Defense Appropriation Act, H.R. 3222, to accelerate the modernization of critical operational and support facilities to ensure that readiness centers meet the State needs for emergencies as well as for federal U.S. Army missions. Funds from prior years were used to improve readiness centers in Oelwein, Charles City, Perry, Audubon, Knoxville, Iowa City, Washington, Dubuque, Council Bluffs, and the Camp Dodge Joint Forces Miller Armory. The FY 2014 funds will be used for Mason City and Sioux City readiness centers for various improvements, including HVAC and electrical upgrades.

*The House makes the same appropriation for FY 2014 and appropriates \$2,000,000 for FY 2015.*

4 19 c. For construction upgrades at Camp Dodge:  
 4 20 FY 2013-2014:  
 4 21 ..... \$ 500,000

Rebuild Iowa Infrastructure Fund appropriation to the DPD for construction upgrades at the Camp Dodge military installation.

DETAIL: These appropriations are part of a multiyear effort to upgrade existing infrastructure systems, including upgrading sanitary and sewer systems, electrical systems, utility lines, HVAC systems, and other systems at Camp Dodge. The project received \$1,000,000 from the RIIF in FY 2012 and \$610,000 in FY 2013. The additional use of the facility for training and military and paramilitary units has stressed the existing system and the current system does not meet the federal and State environmental requirements. Camp Dodge celebrated its 100th year anniversary in FY 2009 and includes 4,500 acres and 325 buildings, and 1,200 full-time employees. The military installation is similar to a small town in terms of infrastructure systems. The post is home to the Joint Headquarters, the State Emergency Operations Center, National Maintenance and Battle Command Training Centers, the Iowa Gold Star Museum, and other entities. The FY 2014 appropriation will receive a federal match of 6.6 to 1, so the State funds will draw down approximately \$3,300,000. Camp Dodge has been undergoing several postwide infrastructure upgrades and modernization efforts over the last decade, including electrical, water, phone and cable, and other systems.

*The House makes the same appropriation for FY 2014 and appropriates \$500,000 for FY 2015.*

4 22 7. DEPARTMENT OF NATURAL RESOURCES  
 4 23 a. For implementation of lake projects that  
 4 24 have established watershed improvement initiatives  
 4 25 and community support in accordance with the  
 4 26 department's annual lake restoration plan and report,  
 4 27 notwithstanding section 8.57, subsection 5, paragraph  
 4 28 "c":  
 4 29 FY 2013-2014:  
 4 30 ..... \$ 8,600,000

Rebuild Iowa Infrastructure Fund appropriation to the Department of Natural Resources (DNR) for lake restoration, dredging, and water quality projects. This appropriation notwithstanding the definition of vertical infrastructure.

DETAIL: This is an increase of \$2,600,000 compared to estimated FY 2013. Funding levels have varied in the last few fiscal years. In FY 2012, the DNR received \$5,459,000 from the RIIF. In FY 2011, the DNR received \$3,000,000 from the RBC2 and \$7,000,000 from the RBC for a total of \$10,000,000. For FY 2009 and FY 2010, the DNR received a total of \$12,800,000 comprised of \$2,800,000 from the RIIF for FY 2010 and \$10,000,000 from the RBC for FY 2009, but the RBC funds were not available until FY 2010. In FY 2008, the funding was \$8,600,000 from the RIIF. The funds are used for projects identified in the Lake Restoration Annual Report and Plan focusing on the first 35 projects that make up the priority list of 127 lake candidates. The DNR must implement the projects in accordance with the Lake Restoration Report and Plan and Iowa Code section 456A.33B. The Report and Plan is submitted annually to the Transportation, Infrastructure, and Capitals Appropriations Subcommittee by January 1. Iowa Code section 456A.33B provides overall goals for the projects in the Program as well as water quality targets including clarity, biota, sustainability, and safety.

The Lake Restoration 2012 Report and 2013 Plan proposes using FY 2014 funding for Lake Icaria, Clear Lake, Little River Lake, Lake Geode, Five Island Lake, Lost Island Lake, Big Creek, Carter Lake, Lake Manawa, Black Hawk Lake, Prairie Rose Lake, Storm Lake, Iowa Great Lakes, Kent Park Lake, Central Park Lake, Easter Lake, Lake of the Hills, Hickory Grove Lake, Union Grove Lake, as well as others depending on funding levels.

*The House appropriates \$7,000,000 in both FY 2014 and FY 2015.*

4 31	b. For the administration of a water trails and	
4 32	low head dam public hazard statewide plan, including	
4 33	salaries, support, maintenance, and miscellaneous	
4 34	purposes, notwithstanding section 8.57, subsection 5,	
4 35	paragraph "c":	
4 36	FY 2013-2014:	
4 37	.....	\$ 2,000,000

Rebuild Iowa Infrastructure Fund appropriation to the DNR for the Water Trails and Low Head Dam Safety Program. These appropriations notwithstanding the definition of vertical infrastructure.

DETAIL: This is an increase of \$1,000,000 compared to estimated FY 2013. Funding levels have varied. The Water Trails and Low Head Dam Safety Program received \$800,000 in an FY 2010 appropriation from the RIIF and an FY 2009 appropriation of \$250,000 from federal stimulus funds. In addition, in FY 2010, the Natural Resource Commission approved using \$1,000,000 of an FY 2010 RBC appropriation (that provided \$13,500,000 for watershed rebuilding and water quality improvement projects) on the Water Trails and Low Head Dam Safety Program. In FY 2009, there was an appropriation of \$1,000,000 from the RIIF, but the entire amount was transferred to the Jumpstart Housing Assistance Program, so the DNR did not have use of those funds. The funds are used by the DNR to award grants to local entities for water trail enhancements and for dam mitigation grants to dam owners, including State and local government entities and private owners, to improve low head dam safety.

For water trails, the State role is to provide guidelines, templates, planning and technical assistance, enforcement, as well as the water grants. Recent water trail grants include water trails for Maquoketa River, West Nishnabotna, North Skunk River, Clear Creek, Dubuque, Grand River, Lizard Creek, Quad Cities, Middle River, Turkey River, Racoon River, Winnebago River, Des Moines River, Black Hawk Creek, Iowa River Greenbelt, and others.

Dam mitigation projects include removing or demolishing low-head dams and restoring river flow, creating rock ramps, altering heights of the dams, as well as improving signage and warnings near low-head dams. The Program was established to reduce fatalities at traditionally designed dams. Low-head dam mitigation grants include ones for

dams in the cities of Fort Dodge. Waterloo, Des Moines, Charles City, Boone, Elkader, Ames, Nashua, Manchester, Quasqueton, Iowa City, as well as Jones, Floyd, and Howard Counties.

*The House does not make this appropriation.*

4 38 8. BOARD OF REGENTS  
 4 39 a. For allocation by the state board of regents to  
 4 40 the state university of Iowa, the Iowa state university  
 4 41 of science and technology, and the university of  
 4 42 northern Iowa to reimburse the institutions for  
 4 43 deficiencies in the operating funds resulting from the  
 4 44 pledging of tuition, student fees and charges, and  
 4 45 institutional income to finance the cost of providing  
 4 46 academic and administrative buildings and facilities  
 4 47 and utility services at the institutions:  
 4 48 FY 2013-2014:  
 4 49 ..... \$ 27,867,775

Rebuild Iowa Infrastructure Fund appropriation to the Board of Regents for the tuition replacement appropriation that pays debt service on academic revenue bonds.

DETAIL: This is an increase of \$2,737,363 compared to estimated FY 2013. The appropriation replaces the student tuition and fees that are required to pay the debt service on academic revenue bonds authorized in prior fiscal years. Iowa Code chapter 262A authorizes the sale of academic revenue bonds and was enacted in the 1969 Legislative Session. The first academic revenue bonds were issued in 1970 and provided the primary source of funds for construction of academic facilities at the universities for several decades. The academic revenue bonds issued by the Board of Regents are secured by student tuition and fees and are considered to be independent and not part of State obligations. The State regularly provides this appropriation to the Board of Regents and pays most of the debt service on the academic revenue bonds through the appropriation process. The appropriation is not mandatory by statute, but the Board of Regents has previously indicated that without a tuition replacement appropriation, an aggregate increase of 5.00% in tuition across the universities would be required to pay the debt service. Therefore, the General Assembly provides the appropriation to keep tuition costs lower for students. The tuition replacement appropriation provides most of the annual debt service on the academic revenue bonds, but a portion of the debt service is paid from reserve fund interest.

Funding for tuition replacement has been provided for many decades. Until FY 2002, the appropriation was made solely from the General Fund. After FY 2002, a portion was funded from the General Fund and from the infrastructure-related funds such as the RIIF and the Restricted Capital Fund. From FY 2006 to FY 2008, funding for this appropriation was divided between the General Fund and the RIIF. Since FY 2009, the entire appropriation has been appropriated from the RIIF. The increase in FY 2014 and FY 2015 is due to the additional academic revenue bonds that are being issued in accordance with the authorization provided by the 2009 Legislative Session in SF 474 (Regents Bonding Act). Typically, the Board of Regents issues the bonds in \$25,000,000 increments rather than all at once and plans for the issuances in the prior calendar year. The next scheduled issuance

from the 2009 authorization is slated for August 2013. Based on current bond issuance projections, the funding needed for the tuition replacement appropriation increases as additional bonds are issued from the 2009 authorization, reaching a high of \$33,291,763 in FY 2018.

*The House makes the same appropriation for FY 2014 and appropriates \$29,735,423 for FY 2015.*

- 4 50 b. For the repair or replacement of failed or
- 5 1 failing building components, for immediate fire safety
- 5 2 needs, and for compliance with the federal Americans
- 5 3 with Disabilities Act, at regents institutions:

Rebuild Iowa Infrastructure Fund appropriation to the Board of Regents for immediate fire safety, ADA compliance, and high-priority deferred maintenance projects at Regents institutions.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. Funds will be used for various fire safety, ADA compliance, and high priority deferred maintenance to reduce damage at the institutions. The projects are within their deferred maintenance list. Funding has varied over the years. For FY 2012, the Regents received \$2,000,000 from the RIIF. No funding was provided from FY 2009 through FY 2011. Funding was \$1,000,000 in FY 2008 and a total of \$16,200,000 in FY 2007. According to the Facilities Governance Report provided to the Board in February 2013, there is an estimated \$554,000,000 in deferred maintenance at Regents facilities. The Regents institutions have a total of 4,505 on-campus acres and 616 off-campus acres, excluding farm acreage. Regents facilities total 37,281,166 gross square footage.

Major funding sources for fire safety and deferred maintenance projects beyond the specific infrastructure appropriations have included General Fund operating budgets, Utility Renewal and Replacement funds, proceeds from Academic Revenue Bonds, income from Treasurer's Temporary Investments, and University of Iowa Hospitals Usage Funds. The Regents Five-Year Capital Plan approved at the September 2012 meeting included a request for \$175,000,000 over five fiscal years to correct fire and safety deficiencies and deferred maintenance at the institutions.

*The House makes the same appropriation for FY 2014 and appropriates \$5,000,000 for FY 2015.*

5	4	FY 2013-2014:	
5	5	.....	\$ 2,000,000

Rebuild Iowa Infrastructure Fund appropriation to the Board of Regents for renovation, modernization, and the construction of a new addition at the Pharmacy Building at University of Iowa for FY 2015.

DETAIL: The FY 2015 appropriation provides the initial design funding for the project. The Board of Regents requested \$67,600,000 from the State. The State funds will be matched with \$25,000,000 in private gift funds and earnings from the College of Pharmacy. The existing Pharmacy Building was built in 1961, with a major addition added in 1996. The 1996 wing serves primarily as a pharmaceutical research facility. Both facilities have been facing increased deferred maintenance issues, such as outdated heating, cooling, and electrical systems. In addition, with advances in pharmaceutical research methods, the College has faced challenges to the functionality of both portions of the facility. The University plans to replace the 1961 building and renovate and modernize 74,000 gross square feet in the 1996 wing. The College of Pharmacy recently celebrated the 125 years of pharmacy education in Iowa and is the fourth oldest College of Pharmacy in a state-supported university. According to the Regents Five-Year Capital Plan approved in September 2012, there are 441 Doctor of Pharmacy students and 92 advanced degree students studying at the College.

*The House make the same appropriation for FY 2015 and appropriates an additional \$61,600,000 from FY 2016 through FY 2018.*

5 6 c. For infrastructure improvements to construct a  
 5 7 multipurpose training facility at the state hygienic  
 5 8 laboratory at the state university of Iowa:  
 5 9 FY 2013-2014:  
 5 10 ..... \$ 1,000,000

Rebuild Iowa Infrastructure Fund appropriation to the Board of Regents for renovation and expansion at the State Hygienic Laboratory at the University of Iowa to add a multipurpose training facility.

DETAIL: This is a new appropriation. The State Hygienic Laboratory (SHL) opened in 2010 and original plans included space for a multipurpose training facility including an auditorium, biosafety working laboratories, as well as upgrades to video classroom. Due to funding levels, the training facility was not completed. The SHL anticipates the total cost of renovation to be approximately \$2,400,000 and has raised an estimated \$1,413,000 for the effort. Funds will be used to renovate shelled space and construct the biosafety level 2 and level 3 laboratories, the auditorium, and the additional upgrades to the classroom.

*The House does not make this appropriation.*

5 11 9. STATE FAIR AUTHORITY  
 5 12 For infrastructure costs associated with the  
 5 13 construction of a plaza on the Iowa state fairgrounds:  
 5 14 FY 2013-2014:  
 5 15 ..... \$ 250,000

Rebuild Iowa Infrastructure Fund appropriations to the State Fair Authority for construction of a plaza.

DETAIL: These are new appropriations totaling \$1,000,000 over two fiscal years. The Iowa State Fair Foundation has received a private

5 16 FY 2014-2015:  
 5 17 ..... \$ 750,000

\$1,000,000 commitment for the project as well. The plaza will be located between the east side of the Varied Industries Building and the Service Center and extend from the Grand Avenue Concourse south to the Horse Barn/Jacobson Exhibition Center. The plaza will include paved walking paths and will provide better handicap accessibility to several areas at the fairgrounds, as well as alleviate some of the congestion that occurs in the south-bound corridor. The total estimated project, including utilities and grading, is \$2,500,000. Planning and design for the project will begin immediately, with an estimated completion date in 2015.

*The House makes the same appropriations.*

5 18 10. DEPARTMENT OF TRANSPORTATION  
 5 19 a. For acquiring, constructing, and improving  
 5 20 recreational trails within the state:  
 5 21 FY 2013-2014:  
 5 22 ..... \$ 3,000,000

Rebuild Iowa Infrastructure Fund appropriation to the Department of Transportation (DOT) for the State Recreational Trails Program.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. Funding has varied over the years. The Program received \$3,000,000 in both FY 2013 and FY 2012 from the RIIF, but did not receive funding in FY 2011. In FY 2010, the Program received \$3,500,000, but a total of \$1,250,000 of that amount was earmarked for specific trails. In FY 2009, the Program received \$3,000,000, but a total of \$1,180,000 was designated to specific trails. In FY 2008, the Program received \$2,000,000 with \$415,000 designated to specific trails. When there are allocations for certain trails specified in session law the grants do not go through the typical application and approval process by the Transportation Commission. For FY 2014 and FY 2015 there are no specified allocations.

Funds for the Program are used for grants for statewide recreational trails. The trail system is approximately 1,505 miles, including multiuse trails and off-road paths. A local match of 25.00% is required in accordance with the Department administrative rules. Trails that receive funding must be maintained for public use for a minimum of 20 years. Applications for funding from the trails program are considered twice per year and are approved by the Transportation Commission. The FY 2013 funding provided grants for Shauls Road trail extension, Fayette-Volga River multiuse trail, Iowa River trail, Mississippi River trail final connection, Musser Park to Wiggins Road trail, South Troy Park trail, Mines of Spain trail and trailhead, and Brushy Creek all weather multiuse lake trail bridge.

*The House makes the same appropriation for FY 2014 and appropriates \$3,000,000 for FY 2015.*

5 23 b. For deposit into the public transit  
 5 24 infrastructure grant fund created in section 324A.6A,  
 5 25 for projects that meet the definition of "vertical  
 5 26 infrastructure" in section 8.57, subsection 5,  
 5 27 paragraph "c":  
 5 28 FY 2013-2014:  
 5 29 ..... \$ 2,000,000

Rebuild Iowa Infrastructure Fund appropriation to the DOT for public transit infrastructure grants through the Public Transit Infrastructure Grant Fund.

DETAIL: This is an increase of \$500,000 compared to estimated FY 2013. Funding has varied in recent years. For FY 2013 and FY 2012, funding levels were \$1,500,000 from the RIIF. The Program received \$2,000,000 from the RBC2 in FY 2011, \$1,250,000 in FY 2010 from the RIIF, and \$2,200,000 in FY 2009 from the RBC. The RBC funds were not available until FY 2010. Grants are provided for infrastructure-related projects at the 35 public transit agencies throughout the State. The transit agencies are eligible to apply for the grants that are approved through the Transportation Commission and the projects must meet the definition of vertical infrastructure. The State match requirements is up to 80.00%. Funds have been used for capital projects such as new bus storage buildings, administrative buildings, maintenance facilities, storage buildings, reconstruction of steam cleaning areas, vehicle storage and wash bays, as well as replacing roofs or other improvements.

*The House appropriates \$1,500,000 for both FY 2014 and FY 2015.*

5 30 c. For infrastructure improvements at the  
 5 31 commercial service airports within the state:  
 5 32 FY 2013-2014:  
 5 33 ..... \$ 1,500,000

Rebuild Iowa Infrastructure Fund appropriation to the DOT for vertical infrastructure improvements at commercial service airports.

DETAIL: Maintains the current funding level compared to estimated FY 2013. For FY 2013 and FY 2012, the DOT received \$1,500,000 from the RIIF. The DOT received \$1,500,000 from the RBC2 for FY 2011. In FY 2010, the appropriation of \$1,500,000 came from the General Fund and was subject to the across-the-board reduction so the amount was reduced to \$1,350,000. There are eight commercial service airports in the State. They are located in Burlington, Cedar Rapids, Des Moines, Dubuque, Fort Dodge, Mason City, Sioux City, and Waterloo.

The funds are distributed by a 50/40/10 formula, so in this case \$750,000 of the funds appropriated will be allocated equally between each of the commercial service airports, \$600,000 will be allocated based on the percentage of enplaned passengers during the previous fiscal year, and \$150,000 will be allocated based on the proportion of air cargo tonnage at each airport during the previous fiscal year. Airports submit applications to the DOT Office of Aviation for specific projects that are approved by the Transportation Commission. No local

match is required.

Projects must meet the definition of vertical infrastructure. Projects approved for commercial service airports with the FY 2013 funding include replacing a 70-year old hangar at Burlington, renovating a terminal building lobby at Cedar Rapids, installing a parking garage bridge and constructing a new fixed-based operator building at Des Moines, constructing a terminal building at Dubuque, renovating a terminal operation area and former flight service station building at Fort Dodge, rehabilitating the terminal and constructing an office addition at Mason City, rehabilitating hangars at Sioux City, and rehabilitating hangars and a snow equipment building at Waterloo.

*The House makes the same appropriation for FY 2014 and appropriates \$1,500,000 for FY 2015.*

5 34	d. For infrastructure improvements at general		
5 35	aviation airports within the state:		
5 36	FY 2013-2014:		
5 37	.....	\$	750,000

Rebuild Iowa Infrastructure Fund appropriation to the DOT for vertical infrastructure improvements at general aviation airports.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. General aviation vertical infrastructure projects receive State matching grants of up to 85.00% of the total project costs, and require a minimum level of \$5,000 in State match to be considered. Projects must meet the definition of vertical infrastructure. Eligible airports apply to the DOT Office of Aviation and projects are approved by the Transportation Commission. These grants are available only to general aviation airports. Of the 109 publicly owned airports in the State, 101 are general aviation airports that are eligible. According to the DOT, approximately 88.00% of all flights in Iowa are general aviation related. Projects approved for general aviation airports with the FY 2013 funding include constructing a two-unit hangar at Boone Municipal, constructing a transient aircraft hangar at Clinton Municipal, rehabilitating the terminal and repairing roofs at Iowa City Municipal, expanding a four-unit T-hangar and apron at Iowa Falls Municipal, rehabilitating the terminal building at Ottumwa Regional, constructing a six-unit T-hangar at Red Oak Municipal, and constructing a hangar at Vinton Veterans Memorial.

*The House makes the same appropriation for FY 2014 and appropriates \$750,000 for FY 2015.*

5 38 e. For deposit into the railroad revolving loan and

Rebuild Iowa Infrastructure Fund appropriation to the DOT for deposit

5 39 grant fund created in section 327H.20A, notwithstanding  
 5 40 section 8.57, subsection 5, paragraph "c":  
 5 41 FY 2013-2014:  
 5 42 ..... \$ 1,000,000

in the Railroad Revolving Loan and Grant Fund. This appropriation notwithstanding the definition of vertical infrastructure.

DETAIL: This is a decrease of \$500,000 compared to estimated FY 2013. The funds are used to provide grants and loans for construction and improvements to railroad facilities, such as railroad main lines, branch lines, switching yards, sidings, rail connections, intermodal yards, highway grade separations, and other railroad-related improvements. Primarily, funding has been used for spur lines and related improvements to ethanol and biodiesel plants and other industrial parks around the State. In addition, beginning in April 2012, the Transportation Commission began making funding available for rail port planning and development studies. The Program includes three categories, projects for targeted job creation and economic development, rail network improvements, and rail port planning and development. Funding is available to industries, railroads, local governments, or economic development agencies. Applications are made to the DOT Office of Rail Transportation and approved by the Transportation Commission. Under the targeted job creation category, grants for projects require a 50.00% match and loans require 20.00% match. For projects that fall under the rail network improvements category, only loans are available and applicants must provide a 20.00% match.

*The House appropriates \$3,000,000 in both FY 2014 and FY 2015.*

5 43 f. For continuation of the job access and reverse  
 5 44 commute grant program, notwithstanding section 8.57,  
 5 45 subsection 5, paragraph "c":  
 5 46 FY 2013-2014:  
 5 47 ..... \$ 350,000

Rebuild Iowa Infrastructure Fund appropriation to the DOT for the Job Access and Reverse Commute Program. This appropriation notwithstanding the definition of vertical infrastructure.

5 48 Moneys appropriated in this section shall be  
 5 49 distributed by the department in the form of grants to  
 5 50 cities, nonprofit organizations, or operators of public  
 6 1 transportation services for the fiscal year beginning  
 6 2 July 1, 2013, and ending June 30, 2014, to continue  
 6 3 an existing access to jobs project or reverse commute  
 6 4 project serving a city with a population of fifty  
 6 5 thousand or more and the surrounding metropolitan area.  
 6 6 A grant awarded under this section shall not exceed 90  
 6 7 percent of the cost of a program's operation for the  
 6 8 fiscal year beginning July 1, 2013, and ending June  
 6 9 30, 2014. In awarding grants under this section, the  
 6 10 department shall use criteria established under former  
 6 11 49 U.S.C. § 5316 establishing the federal job access  
 6 12 and reverse commute grant program.

DETAIL: The Job Access and Reverse Commute (JARC) program is a federally funded transportation system available to anyone needing transportation to and from work during any needed hours. The JARC Program exists in Ames, Cedar Rapids, Coralville, Iowa City, Muscatine, Ottumwa, Sioux City, and Waterloo. In addition, seven of the rural regional transit systems in the State have the JARC grants. Grants are awarded, in accordance with the federal program requirements, through the Transportation Commission. Federal funding changed and some of the local programs faced losing JARC funds as of September 30, 2013.

Specifies the funds must be distributed to JARC Programs in grants to cities with a population of 50,000 or more and the grant must not exceed 90.00% of program operational costs. According to the latest preceding certified federal census, the cities that would be eligible for the grants are Ames, Cedar Rapids, Iowa City, Sioux City, and

Waterloo.

*The House does not make this appropriation.*

6 13 11. TREASURER OF STATE  
 6 14 For distribution in accordance with chapter 174 to  
 6 15 qualified fairs which belong to the association of Iowa  
 6 16 fairs for county fair infrastructure improvements:  
 6 17 FY 2013-2014:  
 6 18 ..... \$ 1,060,000

Rebuild Iowa Infrastructure Fund appropriation to the Treasurer of State for distribution to county fair societies that belong to the Association of Iowa Fairs.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. Funds are used for vertical infrastructure improvements at the 105 county fairs in the Association. County fairs will receive approximately \$10,095 each. Examples of recent projects with the funding include renovations to sheep barns, grandstand roofs, offices, adding ADA compliant restrooms and showers, new hoop buildings, new cattle barns, repairs due to storm damage, new community centers and exhibit buildings, renovations to main auditoriums, and remodeling of horse barns.

*The House makes the same appropriation for FY 2014 and appropriates \$1,060,000 for FY 2015.*

6 19 12. DEPARTMENT OF VETERANS AFFAIRS  
 6 20 a. For remodeling and upgrades to office space at  
 6 21 Camp Dodge:  
 6 22 FY 2013-2014:  
 6 23 ..... \$ 137,940

Rebuild Iowa Infrastructure Fund appropriation to the Department of Veterans Affairs for remodeling and upgrades to office space at Camp Dodge.

DETAIL: This is a new appropriation for FY 2014. The Department is housed in an old building that is energy inefficient and will likely be torn down. The Department will relocate to a new building, Building W-41, and make renovations to the office, including ADA compliant accessibility, improvements to the HVAC system and fire suppression system, and related improvements. The appropriation level reflects the State share of the \$378,000 needed for the renovations.

*The House makes the same appropriation.*

6 24 b. For a grant to an American legion post located  
 6 25 in a city with a population between one thousand  
 6 26 ten and one thousand twenty in the latest preceding  
 6 27 certified federal census for the construction of a  
 6 28 veteran's reception center and community center:  
 6 29 FY 2013-2014:

Rebuild Iowa Infrastructure Fund appropriation for a grant to American Legion Post 403 to construct a community center that supports the Iowa Veterans Cemetery and community.

DETAIL: These are new appropriations for FY 2014 and FY 2015. The Iowa Veterans Cemetery, located near Van Meter, is the first federally

6 30 ..... \$ 604,000

funded construction of a state-owned and operated veterans cemetery. The Iowa Veterans Cemetery first opened for internments in July 2008. The cemetery is on 100 acres, received from donations, and has a capacity of 80,000 burial spaces. As of March 2013, there are 1,437 veterans interred at the cemetery, with 6,000 additional applications on file. The nearby American Legion Post 403, approximately a mile from the cemetery, has undertaken construction of a building to provide a location for hospitality gatherings for family and friends of a veteran being interred. The total project is estimated at \$1,191,000 for construction and additional funding will be needed for furnishings. Private donations will contribute to funding the construction of the building, in addition to the State funds provided. The building will be available for other community purposes as well.

*The House appropriates \$600,000 over two fiscal years.*

6 31 c. For construction costs associated with the  
 6 32 expansion of an equipment and vehicle storage building  
 6 33 at the Iowa veterans cemetery:  
 6 34 FY 2013-2014:  
 6 35 ..... \$ 250,000

Rebuild Iowa Infrastructure Fund appropriation to the Department of Veterans Affairs for expansion of an equipment and vehicle storage building at the Iowa Veterans Cemetery.

DETAIL: This is a new appropriation for FY 2014. The Department advises that a lot of equipment is being kept outside, unprotected from the weather. Funds will be used to expand the existing vehicle and equipment storage building at the Iowa Veterans Cemetery. The Department has applied for a federal grant from the State Cemetery Grant Program, administered by the National Cemetery Administration, for various projects. The federal grant is eligible for use for design of the expansion, but not construction. After the construction, the building will have 3,636 square feet. The expansion will begin in July 2013 and be completed in December 2013.

*The House makes the same appropriation.*

6 36 Sec. 2. REVERSION. For purposes of section 8.33,  
 6 37 unless specifically provided otherwise, unencumbered  
 6 38 or unobligated moneys made from an appropriation in  
 6 39 this division of this Act shall not revert but shall  
 6 40 remain available for expenditure for the purposes  
 6 41 designated until the close of the fiscal year that ends  
 6 42 three years after the end of the fiscal year for which  
 6 43 the appropriation is made. However, if the project  
 6 44 or projects for which such appropriation was made are  
 6 45 completed in an earlier fiscal year, unencumbered or

Requires nonreversion of funds appropriated from the RIIF in Division I for four fiscal years.

DETAIL: Funds appropriated for FY 2014 will remain available for expenditure through FY 2017. Funds appropriated for FY 2015 will remain available for expenditure through FY 2018.

*The House has the same reversion language.*

6 46 unobligated moneys shall revert at the close of that  
6 47 same fiscal year.

6 48 DIVISION II  
6 49 TECHNOLOGY REINVESTMENT FUND

Division II provides appropriations from the Technology Reinvestment Fund (TRF).

6 50 Sec. 3. There is appropriated from the technology  
7 1 reinvestment fund created in section 8.57C to the  
7 2 following departments and agencies for the following  
7 3 fiscal years, the following amounts, or so much  
7 4 thereof as is necessary, to be used for the purposes  
7 5 designated:  
7 6 1. DEPARTMENT OF EDUCATION  
7 7 a. For maintenance and lease costs associated with  
7 8 connections for part III of the Iowa communications  
7 9 network:  
7 10 FY 2013-2014:  
7 11 ..... \$ 2,727,000

Technology Reinvestment Fund appropriation to the Department of Education to pay the costs of maintenance and leases associated with the build-out of Part III of the ICN.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. The fiber optic cable for Part III sites is leased from the private sector from the vendors that installed the cable. The ICN administers leased digital data circuits to approximately 442 K-12 facilities and districts, libraries, and area education agencies (AEAs). According to the ICN, 82.9% of the total usage of video hours by K-12 facilities, AEAs, and libraries was provided through Part III sites. These leases and maintenance are a continuation of the Part III build-out project authorized in HF 578 (Iowa Communications Network Part III Appropriations Act) during the 1995 Legislative Session. The funding is used for the leases and maintenance expenses. State funding draws down federal Universal Service Fund E-rate monies that pay for the additional cost of leasing the data circuits. Total costs for the leases and maintenance for FY 2013 is estimated at \$3,526,789.

*The House makes the same appropriation for FY 2014 and appropriates \$3,147,000 for FY 2015.*

7 12 b. For the continued development and implementation  
7 13 of an education data warehouse to be utilized by  
7 14 teachers, parents, school district administrators, area  
7 15 education agency staff, department of education staff,  
7 16 and policymakers:  
7 17 FY 2013-2014:  
7 18 ..... \$ 600,000  
7 19 The department may use a portion of the moneys  
7 20 appropriated in this lettered paragraph for an  
7 21 e-transcript data system capable of tracking students  
7 22 throughout their education via interconnectivity with  
7 23 multiple schools.

Technology Reinvestment Fund appropriation to the Department of Education for development and implementation of a statewide education data warehouse.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. The funds are used to operate a statewide education data warehouse to meet various needs, including State and federal reporting requirements. The warehouse is intended to be used by teachers, parents, administrators, AEA staff, Department of Education staff, and policymakers. The purpose is to facilitate the flow of student transcript data between Iowa high schools and postsecondary institutions nationally as well as between postsecondary institutions across the country, and to facilitate flow of student records among Iowa school districts. In addition, the system provides a permanent repository for the records. The operation of the system, including ongoing licensing and fees, costs approximately \$1,000,000 annually. The Department pays for \$400,000 of the costs with federal funding.

Authorizes the Department of Education to use the funds from this appropriation for its e-transcript data system because both e-transcript and the data warehouse are components of a longitudinal data system that provides the ability to track students throughout their education via interconnectivity with multiple schools.

*The House makes the same appropriation for FY 2014 and appropriates \$1,000,000 for FY 2015.*

7 24	c.	To the public broadcasting division for the		
7 25		replacement of equipment and for tower and facility		
7 26		maintenance:		
7 27		FY 2013-2014:		
7 28		.....	\$	960,000

Technology Reinvestment Fund appropriation to the IPTV for equipment replacement and tower and facility maintenance.

DETAIL: This is a new appropriation for FY 2014. According to the IPTV, with the conversion to digital broadcasting and digital equipment, stations moved from proprietary hardware to commoditized hardware that runs specialized software bundled as systems. The useful life for the commoditized hardware is shorter, typically two to three years and serviceable for up to five or six years. Analog equipment that was fixed-asset typically had a 10-year useful life and is often up serviceable up to 20 years. The IPTV evaluated the equipment and a plan for replacement based on the commoditized hardware life expectancy. The IPTV will review and update the plan each year to ensure replacements are made strategically. For FY 2014, the funding will include the following replacements: a media server that is the primary video server for all of IPTV content; tape drives that provide media archives; tower lighting systems at translator sites; all receivers at the transmitter sites; security systems, e-mail and file servers, and other equipment. In addition, funds will be used to replace the roof at the KBIN (Council Bluffs) transmitter site, install a security fence at the Decorah site, and paint the KDIN (Des Moines) tower.

*The House appropriates at the same funding level for FY 2014, but the appropriations are \$460,000 from the RIIF and \$500,000 from the TRF. In addition, the House appropriates \$873,250 for FY 2015.*

7 29	d.	For allocation to the boards of directors of		
7 30		public school districts for voluntary short-term		
7 31		testing for radon gas of up to 10 percent of attendance		
7 32		centers in the state, with the goal of completing		
7 33		radon testing in at least one attendance center in		
7 34		each county in Iowa, notwithstanding section 8.57C,		
7 35		subsection 2:		
7 36		FY 2013-2014:		

Technology Reinvestment Fund appropriation to the Boards of Directors of public school districts for voluntary testing of radon gas. This appropriation notwithstanding the purpose of the TRF.

DETAIL: This is a new appropriation. Funds will be granted through the Department of Education for attendance centers (public school buildings) to apply for voluntary testing. There are approximately 1,400 public attendance centers across the State. The goal is to get up to

7 37 ..... \$ 100,000  
 7 38 For purposes of this lettered paragraph, "short-term  
 7 39 testing" means a testing procedure approved by the  
 7 40 department of public health in which a testing device  
 7 41 remains in an area for not less than two days and not  
 7 42 more than ninety days to determine the amount of radon  
 7 43 in the air that is acceptable for human inhalation.  
 7 44 Radon testing pursuant to this lettered paragraph  
 7 45 shall be conducted by a person certified to conduct  
 7 46 such testing pursuant to section 136B.1.  
 7 47 The department shall prepare a comprehensive report  
 7 48 of the results of the radon testing conducted at each  
 7 49 attendance center and shall submit the report to the  
 7 50 general assembly no later than January 1, 2014.

10.00% of the centers and at least one test in every county. Costs for radon testing are generally between \$500 and \$1,500 per building. The tests must be conducted with a procedure approved by the Department of Public Health and must be conducted by a person certified in accordance with Iowa Code section 136B.1. The Department of Education must provide a report on the results of radon testing conducted at the attendance centers and submit the report to the General Assembly by January 1, 2014.

*The House does not make this appropriation.*

8 1 e. For hardware and software equipment for the  
 8 2 state library, including laptop and tablet computers,  
 8 3 audio and video equipment, and the purchase of online  
 8 4 resources:  
 8 5 FY 2013-2014:  
 8 6 ..... \$ 250,000

Technology Reinvestment Fund appropriation to the Department of Education for computer resources for the State Library.

DETAIL: This is a new appropriation. Funds will be used to replace outdated laptops for the laptop laboratories and for audio and video equipment for the library's six district offices around the State. In addition, tablet computers for demonstration and educational purposes will be purchased. Also, the State Library will purchase online resources for local libraries, such as EbscoHost. The State Library provides 60.00% of the costs of the online resources and local libraries pay the remaining 40.00%.

*The House does not make this appropriation.*

8 7 2. DEPARTMENT OF HUMAN RIGHTS  
 8 8 For the cost of equipment and computer software  
 8 9 for the implementation of Iowa's criminal justice  
 8 10 information system:  
 8 11 FY 2013-2014:  
 8 12 ..... \$ 1,454,734

Technology Reinvestment Fund appropriation to the Department of Human Rights for continued development and implementation of the Criminal Justice Information System (CJIS).

DETAIL: This is a decrease of \$259,573 compared to estimated FY 2013. Funding levels have varied. In FY 2012, the project received \$1,689,307. Total funding received between FY 2007 and FY 2009 was \$7,366,384. The CJIS will enable and facilitate the automated exchange of criminal justice information among local, State, and federal criminal justice agencies. This initiative is to develop a seamless, real-time, and electronic information sharing system for members of the criminal justice community in Iowa. Current collaboration with other criminal justice systems includes the County Attorney ProLaw Case Management and Judicial Dialog Case Management systems, Traffic and Criminal Software (TraCs) system, ICON, Iowa Online Warrants and Articles, Iowa Court Information system, and others. Funds are used for operations of the system, further development, information

technology and network hosting, and software needed for the system.

The CJIS has a number of exchanges that are 100.00% implemented, meaning that the CJIS centralized computer system has been fully programmed to receive and transmit information to be exchanged and that all possible state, local, and in some cases, federal agencies are actively sharing information through the CJIS system. These exchanges include: the adult data warehouse; the juvenile data warehouse; protective orders; protective orders served; orders for presentence investigations; presentence investigation prereports; National Instant Check System (NICS); OWI dispositions; sex offender address updates; and others.

*The House makes the same appropriation for FY 2014 and appropriates \$2,000,000 for FY 2015.*

8 13 3. DEPARTMENT OF HUMAN SERVICES  
 8 14 a. For a grant to a nonprofit agency that provides  
 8 15 innovative solutions to children and adults with autism  
 8 16 in a city with a population between fourteen thousand  
 8 17 five hundred and fifteen thousand five hundred in  
 8 18 the latest preceding certified federal census, for  
 8 19 the cost associated with internet services and video  
 8 20 communications systems for clinics:  
 8 21 FY 2013-2014:  
 8 22 ..... \$ 154,972

Technology Reinvestment Fund appropriation for The Homestead to provide technology for clinics in its Children's Autism Project.

DETAIL: This is a new appropriation for FY 2014. Funds to purchase video technology and Internet services for the clinics that are being established. The Homestead is a nonprofit agency that provides services and solutions for people with autism. The core of the agency's services focuses on Applied Behavior Analysis (ABA) intervention. The Children's Autism Project is an effort to provide one-to-one treatment for children ages 3 to 8 years old, in order to provide intensive early intervention using ABA. The Homestead opened a clinic in Hiawatha (also serving Cedar Rapids area) in March 2013 and plans to open one in Clive in FY 2014, and two clinics, in Waterloo and Davenport, in FY 2015. In addition to the TRF appropriation, Section 1.5 provides RIF appropriations for renovating the facilities for the clinics.

*The House makes approximately the same appropriation. The funding level is different by \$816.*

8 23 b. For grants for nursing facilities categorized  
 8 24 as rural on Iowa Medicaid enterprise cost reports  
 8 25 to provide electronic health record implementation  
 8 26 services to rural nursing facilities:  
 8 27 FY 2013-2014:  
 8 28 ..... \$ 250,000

Technology Reinvestment Fund appropriation to the Department of Human Services for grants to rural nursing facilities to provide electronic record implementation.

DETAIL: This is a new appropriation. Funds will be used for the Telligen Health Information Technology Regional Extension Center (HITREC) Exchange for implementation of electronic health records (EHR). Under the federal ARRA stimulus package, funds were

provided to assist approximately 1,200 providers and 87 critical access/rural hospitals implement the use of EHRs. Telligen HITREC is the federally designated Regional Extension Center in Iowa. Grants will go to rural nursing facilities that are categorized as rural on the Iowa Medicaid Enterprise cost reports.

*The House does not make this appropriation.*

8 29 4. IOWA TELECOMMUNICATIONS AND TECHNOLOGY  
8 30 COMMISSION  
8 31 For internet protocol video technology equipment for  
8 32 the Iowa communications network:  
8 33 FY 2013-2014:  
8 34 ..... \$ 1,200,000  
8 35 The commission may continue to enter into contracts  
8 36 pursuant to section 8D.13 for internet protocol video  
8 37 technology equipment and for operations and maintenance  
8 38 costs of the network.  
8 39 In addition to moneys appropriated in this  
8 40 subsection, the commission may use a financing  
8 41 agreement entered into by the treasurer of state in  
8 42 accordance with section 12.28 for internet protocol  
8 43 video technology equipment for the network. For  
8 44 purposes of this subsection, the treasurer of state  
8 45 is not subject to the maximum principal limitation  
8 46 contained in section 12.28, subsection 6. Repayment  
8 47 of any amounts financed shall be made from receipts  
8 48 associated with fees charged for use of the network.

Technology Reinvestment Fund appropriation to the Iowa Telecommunication and Technology Commission for Internet Protocol (IP) video technology equipment for the ICN.

DETAIL: This is a decrease of \$998,653 compared to estimated FY 2013. Funds are used for upgrading to IP video technology and offering a better quality video via an Internet Protocol option to existing educational users. This appropriation is also used as a required match for the State to continue to receive a Universal Service Fund E-rate video discount that is passed on to school districts and libraries. For FY 2013 and FY 2014, the federal E-rate funds are estimated at approximately \$1,200,000 to support video for schools and libraries. All public and private K-12 schools and libraries are eligible for Universal Service Fund discounts, the Department of Education applies for the E-rate funds on behalf of a statewide consortium in order minimize filing requirements for individual schools.

In prior year, funds were also used to replace aging ICN voice equipment and add features such as caller ID, compliance with eDiscovery laws, and redundancy on the network. The ICN has been seeking to provide unified communications features for agencies, but the portion of the appropriation for voice and related systems is not provided.

Permits the Commission to continue to enter into contracts for the IP video technology and for operations and maintenance of the ICN. Authorizes the Commission to replace equipment for the backbone of the ICN through financing with the Treasurer of State. Specifies that the Treasurer of State is not subject to the maximum principal limitation of \$1,000,000 in accordance with Iowa Code section 12.28(6) for purposes of these costs. Requires repayment to be made from receipts associated with fees charged to use the ICN.

*The House appropriates \$2,248,653 for both FY 2014 and FY 2015 for equipment replacement. The appropriations will be used for both the IP video technology and voice and related systems, including unified communications.*

8 49 5. DEPARTMENT OF MANAGEMENT  
 8 50 For the continued development and implementation  
 9 1 of a searchable database that can be placed on the  
 9 2 internet for budget and financial information:  
 9 3 FY 2013-2014:  
 9 4 ..... \$ 45,000

Technology Reinvestment Fund appropriation to the Department of Management (DOM) for an online searchable budget and financial information database.

DETAIL: Maintains the current level of funding compared to estimated FY 2013. During the 2011 Legislative Session, HF 45 (Appropriations Adjustments Act) included a requirement that the DOM develop, and make available to the public, online searchable databases for budget and tax rate information with specified information included. The databases are being developed in coordination with the Department of Administrative Services and the Department of Revenue. The DOM received a total of \$169,453 from the lowAccess Revolving Fund and used a portion of funding from the DOM operating budget, in addition to the prior TRF appropriations to implement the project. Funding will be used to continue development on the website and databases. According to the Department's Infrastructure Status Report filed in January 2013, a web portal, DATAshare, is currently accessible to the public at <http://data.iowa.gov>, and has been online since December 30, 2011. There are 640 datasets, tables, charts and maps publicly available, including the most recent five fiscal years of expenditure data (including FY 2013), vendor payment level data for FY 2012 and FY 2013, and budget and appropriation information for FY 2010 through FY 2013. Data for the current fiscal year, FY 2013, is updated monthly. In addition, the DOM noted that during fall 2012, more than 120 state agency employees were trained on how to publish data and create charts, tables and maps.

*The House makes the same appropriation for FY 2014 and appropriates \$45,000 for FY 2015.*

9 5 6. DEPARTMENT OF PUBLIC DEFENSE  
 9 6 To the homeland security and emergency management  
 9 7 division or its successor, for grants for counties  
 9 8 for emergency generators including emergency diesel  
 9 9 generators for radio communications:  
 9 10 FY 2013-2014:  
 9 11 ..... \$ 200,000

Technology Reinvestment Fund appropriation to the Homeland Security and Emergency Management Division (or its successor) for grants to counties for emergency generators.

DETAIL: This is a new appropriation. Grants will be made for emergency generators, including emergency diesel generators for radio communications. Costs of the generators may range between \$20,000 and \$40,000. Generators for radio communications are vital for county emergency alert systems that provide severe weather watches and warnings.

*The House does not make this appropriation.*

9 12 7. DEPARTMENT OF PUBLIC HEALTH  
 9 13 For technology consolidation projects:  
 9 14 FY 2013-2014:  
 9 15 ..... \$ 480,000

Technology Reinvestment Fund appropriation for FY 2014 to the Department of Public Health (DPH) for technology consolidation.

DETAIL: This is a new appropriation. Senate File 2088 (Government Reorganization and Efficiency Act) in the 2010 Legislative Session required DAS to make efforts to consolidate information technology (IT) across the State agencies. The legislation codified Iowa Code section 8A.201 that put IT procurement and services under the DAS for those purposes. As of March 2013, eight agencies have been consolidated. The DPH is one of the agencies ready for expedited consolidation. Funds will be used for IT services that DAS will be provide to the DPH, including the monthly fees charged by DAS for consolidation of helpdesk functions (desktop support), server hosting and data storage.

*The House makes the same appropriation.*

9 16 Sec. 4. REVERSION. For purposes of section 8.33,  
 9 17 unless specifically provided otherwise, unencumbered  
 9 18 or unobligated moneys made from an appropriation in  
 9 19 this division of this Act shall not revert but shall  
 9 20 remain available for expenditure for the purposes  
 9 21 designated until the close of the fiscal year that ends  
 9 22 three years after the end of the fiscal year for which  
 9 23 the appropriation was made. However, if the project  
 9 24 or projects for which such appropriation was made are  
 9 25 completed in an earlier fiscal year, unencumbered or  
 9 26 unobligated moneys shall revert at the close of that  
 9 27 same fiscal year.

Requires nonreversion of funds appropriated from the Technology Reinvestment Fund in Division II for four fiscal years.

DETAIL: Funds appropriated for FY 2014 will be remain available for expenditure through FY 2017. Funds appropriated for FY 2015 will remain available for expenditure through FY 2018.

*The House has the same reversion language.*

9 28 DIVISION III  
 9 29 CHILDREN'S HEALTH INSURANCE PROGRAM — REBUILD IOWA  
 9 30 INFRASTRUCTURE FUND

9 31 Sec. 5. CHILDREN'S HEALTH INSURANCE PROGRAM —  
 9 32 DEPARTMENT OF ADMINISTRATIVE SERVICES. Any moneys  
 9 33 remaining on June 30, 2013, from moneys received from  
 9 34 the federal government through the child enrollment  
 9 35 contingency fund established pursuant to section 103  
 9 36 of the federal Children's Health Insurance Program  
 9 37 Reauthorization Act of 2009, Pub.L. No.111-3, are  
 9 38 transferred to the rebuild Iowa infrastructure fund  
 9 39 created in section 8.57 and appropriated to the  
 9 40 department of administrative services for the following

Division III transfers funds from the federal Children's Health Insurance Program (CHIP) Contingency Fund to the RIIF for FY 2014 and appropriates to the DAS for major maintenance.

DETAIL: Transfers \$11,310,648 for FY 2014 to the RIIF. The entire amount is appropriated to the DAS for major maintenance. For a discussion about major maintenance see the annotation in Section 1.1. In addition to the appropriation in this Division, the DAS is receiving a total of \$18,000,000 for major maintenance over two fiscal years from the RIIF.

9 41 fiscal year, to be used for projects related to major  
 9 42 repairs and major maintenance for state buildings and  
 9 43 facilities:  
 9 44 FY 2013-2014:  
 9 45 ..... \$ 11,310,648  
 9 46 The moneys appropriated pursuant to this section  
 9 47 shall not be used for any appropriations that receive  
 9 48 federal funding. Notwithstanding section 8.33, the  
 9 49 moneys appropriated in this section shall not revert to  
 9 50 the fund from which appropriated.  
 10 1 The department of human services shall work with  
 10 2 the department of management and the department of  
 10 3 administrative services in drawing down the federal  
 10 4 funds.

The CHIP allotment pays for health insurance coverage for low-income children that have a family income between 133.00% and 300.00% of the federal poverty level. States have two years to spend the CHIP allotment and then funds are redistributed to other states through the CHIP contingency funds. Iowa used its initial allotment and applied for an additional \$3,800,000 from the FY 2011 CHIP Contingency Fund, but received approximately \$28,900,000 (under the federal distribution formula). Of that total, \$2,600,000 was used to offset a CHIP allotment shortfall in FY 2011. During the 2012 Legislative Session, SF 2336 (FY 2013 Health and Human Services Appropriations Act) provided appropriations for various Human Services programs for FY 2012 and FY 2013. In addition, during the 2013 Legislative Session, HF 160 (County Mental Health Supplemental Appropriation Act), signed by the Governor on March 28, 2013, appropriates \$11,628,317 for FY 2013 for the Mental Health and Disability Services Transition Fund. The remaining amount of the CHIP Contingency Fund, an estimated \$11,310,648, is transferred to the RIIF and then appropriated to the DAS for major maintenance for FY 2014. According to the federal guidelines, the additional funds may be used on any appropriations, as long as the funds are not used to match federal funding.

*The House makes the same transfer of the CHIP Contingency Fund to the RIIF and the same appropriation to the DAS for major maintenance.*

10 5 DIVISION IV  
 10 6 MULTIMODAL TRANSPORTATION — GENERAL FUND  
 10 7 Sec. 6. MULTIMODAL TRANSPORTATION.  
 10 8 1. There is appropriated from the general fund  
 10 9 of the state to the department of transportation for  
 10 10 the following fiscal years, the following amounts, or  
 10 11 so much thereof as is necessary, to be used for the  
 10 12 purposes designated:  
 10 13 For multimodal transportation projects as determined  
 10 14 by the transportation commission:  
 10 15 FY 2013-2014:  
 10 16 ..... \$ 5,500,000  
 10 17 FY 2014-2015:  
 10 18 ..... \$ 5,500,000  
 10 19 2. For purposes of section 8.33, unless  
 10 20 specifically provided otherwise, moneys appropriated in  
 10 21 this section that remain unencumbered or unobligated  
 10 22 shall not revert but shall remain available for

General Fund appropriations for FY 2014 and FY 2015 to the DOT for multimodal transportation projects.

DETAIL: These are new appropriations. The DOT anticipates depositing the funds into a new Multimodal Transportation Fund. The new Fund will provide flexibility to look at all multimodal transportation projects holistically, including rail, aviation, public transit, and trails, and apply funding where the opportunities and needs arise. Funds will be allocated through the Transportation Commission. The Commission will develop the priorities for the new Fund, the process for allocating the monies, and approve the projects. Currently, appropriations to specific multimodal programs may not be transferred to other multimodal programs, so for example, if recreational trails has funds available, but an opportunity and need arises for public transit, the appropriated funds may not be transferred to the other program, without General Assembly approval. The flexibility of the new Multimodal Transportation Fund will allow the Commission to apply the funds to any of the multimodal programs and address demands on these transportation

RIIF for FY 2013.

*The House makes the same transfer for FY 2013.*

11 6 Sec. 11. EFFECTIVE UPON ENACTMENT. This division  
11 7 of this Act, being deemed of immediate importance,  
11 8 takes effect upon enactment.

Division VII is effective on enactment.

11 9 DIVISION VIII  
11 10 DEPARTMENT OF TRANSPORTATION — CONTINGENT  
11 11 APPROPRIATION  
11 12 Sec. 12. DEPARTMENT OF TRANSPORTATION —  
11 13 APPROPRIATION.

Division VIII makes a contingent RIIF appropriation to the DOT for FY 2015 for any public transit authority to develop a bus rapid transit service. This appropriation notwithstanding the definition of vertical infrastructure.

11 14 1. For the fiscal year beginning July 1, 2014, and  
11 15 ending June 30, 2015, there is appropriated from the  
11 16 rebuild Iowa infrastructure fund to the department  
11 17 of transportation \$2,500,000 for any public transit  
11 18 authority to develop a bus rapid transit service,  
11 19 notwithstanding section 8.57, subsection 5, paragraph  
11 20 “c”.

DETAIL: Bus rapid transit provides a faster service than ordinary bus service and uses enhanced running ways, providing more predictable scheduling. In order to meet the contingency, a public transit authority must receive federal funding by December 31, 2014, and notify the DOM and the Legislative Services Agency about the status by January 15, 2015.

11 21 2. This appropriation is contingent upon an  
11 22 authority's receipt of local funds and the receipt of  
11 23 a federal grant, by December 31, 2014, in an amount  
11 24 sufficient to complete the project. The authority  
11 25 shall notify the legislative services agency and the  
11 26 department of management if such funds are received no  
11 27 later than January 15, 2015.

It is anticipated that the Des Moines Area Regional Transit Authority (DART) will be at least one of the public transit authorities applying for the State funding. The DART has designated a potential bus rapid transit corridor along Ingersoll and University Avenues. The DART is applying for federal funding through the Federal Transit Administration.

*The House does not make this contingent appropriation.*

11 28 Sec. 13. REVERSION. For purposes of section 8.33,  
11 29 unless specifically provided otherwise, unencumbered  
11 30 or unobligated moneys made from an appropriation in  
11 31 this division of this Act shall not revert but shall  
11 32 remain available for expenditure for the purposes  
11 33 designated until the close of the fiscal year that ends  
11 34 three years after the end of the fiscal year for which  
11 35 the appropriation is made. However, if the project  
11 36 or projects for which such appropriation was made are  
11 37 completed in an earlier fiscal year, unencumbered or  
11 38 unobligated moneys shall revert at the close of that  
11 39 same fiscal year.

11 40 DIVISION IX  
11 41 IOWA JOBS BOARD  
11 42 Sec. 14. Section 12.87, subsection 12, Code 2013,  
11 43 is amended to read as follows:

CODE: Division IX eliminates the I-JOBS Board and transfers responsibilities to the Iowa Finance Authority (IFA). Provides that any monies unobligated from the \$165,000,000 appropriated in FY 2009 from the Revenue Bonds Capitals Fund (RBC) will revert back to the

11 44 12. Neither the treasurer of state, the Iowa  
 11 45 ~~jobs board~~ finance authority, nor any person acting  
 11 46 on behalf of the treasurer of state or the Iowa ~~jobs~~  
 11 47 ~~board~~ finance authority while acting within the scope  
 11 48 of their employment or agency, is subject to personal  
 11 49 liability resulting from carrying out the powers and  
 11 50 duties conferred by this section and sections 12.88  
 12 1 through 12.90.

12 2 Sec. 15. Section 16.193, subsection 1, Code 2013,  
 12 3 is amended to read as follows:

12 4 ~~1. The Iowa finance authority, subject to approval~~  
 12 5 ~~by the Iowa jobs board,~~ shall adopt administrative  
 12 6 rules pursuant to chapter 17A necessary to administer  
 12 7 the Iowa jobs program and Iowa jobs II program. The  
 12 8 authority shall ~~provide the board with assistance in~~  
 12 9 ~~implementing administrative functions; be responsible~~  
 12 10 ~~for~~ providing technical assistance and application  
 12 11 assistance to applicants under the programs,  
 12 12 negotiating contracts, and providing project follow  
 12 13 up. ~~The authority, in cooperation with the board,~~  
 12 14 ~~may conduct negotiations on behalf of the board with~~  
 12 15 ~~applicants regarding terms and conditions applicable to~~  
 12 16 ~~awards under the program.~~

12 17 Sec. 16. Section 16.194, subsection 2, Code 2013,  
 12 18 is amended to read as follows:

12 19 2. A city or county or a public organization in  
 12 20 this state may submit an application to the Iowa  
 12 21 ~~jobs board~~ authority for financial assistance for  
 12 22 a local infrastructure competitive grant for an  
 12 23 eligible project under the program, notwithstanding  
 12 24 any limitation on the state's percentage in funding as  
 12 25 contained in section 29C.6, subsection 17.

12 26 Sec. 17. Section 16.194, subsection 4, unnumbered  
 12 27 paragraph 1, Code 2013, is amended to read as follows:

12 28 The ~~board~~ authority shall consider the following  
 12 29 criteria in evaluating eligible projects to receive  
 12 30 financial assistance under the program:

12 31 Sec. 18. Section 16.194, subsection 7, Code 2013,  
 12 32 is amended to read as follows:

12 33 7. In order for a project to be eligible to receive  
 12 34 financial assistance from the ~~board~~ authority, the  
 12 35 project must be a public construction project pursuant  
 12 36 to subsection 1 with a demonstrated substantial local,  
 12 37 regional, or statewide economic impact.

12 38 Sec. 19. Section 16.194, subsection 8, unnumbered  
 12 39 paragraph 1, Code 2013, is amended to read as follows:

12 40 The ~~board~~ authority shall not approve an application  
 12 41 for assistance for any of the following purposes:

RBC.

DETAIL: When the I-JOBS Board was created during the 2009  
 Legislative Session, the initial \$165,000,000 appropriated from the RBC  
 did not have reversion language included. This was not intended, as  
 all other FY 2009 RBC appropriations were slated to revert at the end  
 of FY 2013. The correction provides that anything unobligated from the  
 appropriation will revert to the RBC and be available for appropriation  
 in the Infrastructure budget during the 2014 Legislative Session. The  
 amounts are being calculated by the IFA, but as of March 2013, it is  
 estimated that \$1,100,000 will revert to the RBC.

*The House does not make this change in HF 638, but has identical  
 language in HF 637 (Iowa Finance Authority Policies Bill).*

12 42 Sec. 20. Section 16.194, subsection 9, paragraph b,  
12 43 Code 2013, is amended to read as follows:  
12 44 b. Any portion of an amount allocated for projects  
12 45 that remains unexpended or unencumbered one year after  
12 46 the allocation has been made may be reallocated to  
12 47 another project category, at the discretion of the  
12 48 ~~board authority~~. The ~~board authority~~ shall ensure that  
12 49 all bond proceeds be expended within three years from  
12 50 when the allocation was initially made.

13 1 Sec. 21. Section 16.194, subsection 10, Code 2013,  
13 2 is amended to read as follows:

13 3 10. The ~~board authority~~ shall ensure that funds  
13 4 obligated under this section are coordinated with other  
13 5 federal program funds received by the state, and that  
13 6 projects receiving funds are located in geographically  
13 7 diverse areas of the state.

13 8 Sec. 22. Section 16.194A, subsections 2, 7, 9, and  
13 9 10, Code 2013, are amended to read as follows:

13 10 2. A city or county in this state that applies the  
13 11 smart planning principles and guidelines pursuant to  
13 12 sections 18B.1 and 18B.2 may submit an application to  
13 13 the ~~town jobs board authority~~ for financial assistance  
13 14 for a local infrastructure competitive grant for an  
13 15 eligible project under the program, notwithstanding  
13 16 any limitation on the state's percentage in funding as  
13 17 contained in section 29C.6, subsection 17.

13 18 7. In order for a project to be eligible to receive  
13 19 financial assistance from the ~~board authority~~, the  
13 20 project must be a public construction project pursuant  
13 21 to subsection 1 with a demonstrated substantial local,  
13 22 regional, or statewide economic impact.

13 23 9. Any portion of an amount allocated for projects  
13 24 that remains unexpended or unencumbered one year after  
13 25 the allocation has been made may be reallocated to  
13 26 another project category, at the discretion of the  
13 27 ~~board authority~~. The ~~board authority~~ shall ensure that  
13 28 all bond proceeds be expended within three years from  
13 29 when the allocation was initially made.

13 30 10. The ~~board authority~~ shall ensure that funds  
13 31 obligated under this section are coordinated with other  
13 32 federal program funds received by the state, and that  
13 33 projects receiving funds are located in geographically  
13 34 diverse areas of the state.

13 35 Sec. 23. Section 16.194A, subsection 4, unnumbered  
13 36 paragraph 1, Code 2013, is amended to read as follows:

13 37 The ~~board authority~~ shall consider the following  
13 38 criteria in evaluating eligible projects to receive  
13 39 financial assistance under the program:

13 40 Sec. 24. Section 16.194A, subsection 8, unnumbered  
13 41 paragraph 1, Code 2013, is amended to read as follows:  
13 42 The ~~board authority~~ shall not approve an application  
13 43 for assistance for any of the following purposes:  
13 44 Sec. 25. Section 16.195, Code 2013, is amended to  
13 45 read as follows:  
13 46 16.195 IOWA JOBS PROGRAM APPLICATION REVIEW.  
13 47 1. Applications for assistance under the Iowa jobs  
13 48 program and Iowa jobs II program shall be submitted to  
13 49 the ~~Iowa finance authority for review and approval.~~  
13 50 ~~The authority shall provide a staff review and~~  
14 1 ~~evaluation of applications to the Iowa jobs program~~  
14 2 ~~review committee referred to in subsection 2 and to the~~  
14 3 ~~Iowa jobs board.~~  
14 4 2.—A review committee composed of members of the  
14 5 board as determined by the board shall review Iowa  
14 6 jobs program applications submitted to the board and  
14 7 make recommendations regarding the applications to the  
14 8 board. When reviewing the applications, the review  
14 9 committee and the authority shall consider the project  
14 10 criteria specified in sections 16.194 and 16.194A. The  
14 11 board authority shall develop the appropriate level of  
14 12 transparency regarding project fund allocations.  
14 13 3. Upon approval of an application for financial  
14 14 assistance under the program, the ~~board authority~~ shall  
14 15 notify the treasurer of state regarding the amount  
14 16 of moneys needed to satisfy the award of financial  
14 17 assistance and the terms of the award. The treasurer  
14 18 of state shall notify the ~~Iowa finance authority~~ any  
14 19 time moneys are disbursed to a recipient of financial  
14 20 assistance under the program.  
14 21 Sec. 26. Section 16.196, Code 2013, is amended to  
14 22 read as follows:  
14 23 16.196 IOWA JOBS ~~RESTRICTED CAPITALS FUND~~ — FUND  
14 24 APPROPRIATIONS.  
14 25 —1.—An Iowa jobs restricted capitals fund is created  
14 26 and established as a separate and distinct fund in  
14 27 the state treasury. The fund consists of moneys  
14 28 appropriated from the revenue bonds capitals fund  
14 29 created in section 12.88. The moneys in the fund  
14 30 are appropriated to the Iowa jobs board for purposes  
14 31 of the Iowa jobs program established in section  
14 32 16.194. Moneys in the fund shall not be subject to  
14 33 appropriation for any other purpose by the general  
14 34 assembly, but shall be used only for the purposes of  
14 35 the Iowa jobs program. The treasurer of state shall  
14 36 act as custodian of the fund and disburse moneys  
14 37 contained in the fund. The fund shall be administered

14 38 ~~by the board which shall make allocations from the fund~~  
14 39 ~~consistent with the purposes of the Iowa jobs program.~~  
14 40 ~~—2. 1.~~ There is appropriated from the revenue bonds  
14 41 capitals fund created in section 12.88, to the Iowa  
14 42 ~~jobs restricted capitals fund authority~~, for the fiscal  
14 43 year beginning July 1, 2009, and ending June 30, 2010,  
14 44 one hundred sixty-five million dollars to be allocated  
14 45 as follows:

14 46 a. One hundred eighteen million five hundred  
14 47 thousand dollars for competitive grants for local  
14 48 infrastructure projects relating to disaster  
14 49 rebuilding, reconstruction and replacement of local  
14 50 buildings, flood control and flood protection, and  
15 1 future flood prevention public projects. An applicant  
15 2 for a local infrastructure grant shall not receive more  
15 3 than fifty million dollars in financial assistance from  
15 4 the fund.

15 5 b. Forty-six million five hundred thousand  
15 6 dollars for disaster relief and mitigation and local  
15 7 infrastructure grants for the following renovation and  
15 8 construction projects, notwithstanding any limitation  
15 9 on the state's percentage participation in funding as  
15 10 contained in section 29C.6, subsection 17:

15 11 (1) For grants to a county with a population  
15 12 between one hundred eighty-nine thousand and one  
15 13 hundred ninety-six thousand in the latest preceding  
15 14 certified federal census, to be distributed as follows:

15 15 (a) Ten million dollars for the construction of a  
15 16 new, shared facility between nonprofit human service  
15 17 organizations serving the public, especially the needs  
15 18 of low-income Iowans, including those displaced as a  
15 19 result of the disaster of 2008.

15 20 (b) Five million dollars for the construction or  
15 21 renovation of a facility for a county-funded workshop  
15 22 program serving the public and particularly persons  
15 23 with mental illness or developmental disabilities.

15 24 (2) For grants to a city with a population between  
15 25 one hundred ten thousand and one hundred twenty  
15 26 thousand in the latest preceding certified federal  
15 27 census, to be distributed as follows:

15 28 (a) Five million dollars for an economic  
15 29 redevelopment project benefiting the public by  
15 30 improving energy efficiency and the development of  
15 31 alternative and renewable energy technologies.

15 32 (b) Ten million dollars for a museum serving the  
15 33 public and dedicated to the preservation of an eastern  
15 34 European cultural heritage through the collection,  
15 35 exhibition, preservation, and interpretation of

15 36 historical artifacts.

15 37 (c) Five million dollars for a theater serving

15 38 the public and promoting culture, entertainment, and

15 39 tourism.

15 40 (d) Five million dollars for a public library.

15 41 (e) Five million dollars for a public works

15 42 building.

15 43 (3) One million five hundred thousand dollars, to

15 44 be distributed as follows:

15 45 (a) Five hundred thousand dollars to a city with a

15 46 population between six hundred and six hundred fifty in

15 47 the latest preceding certified federal census, for a

15 48 public fire station.

15 49 (b) Five hundred thousand dollars to a city with a

15 50 population between one thousand four hundred and one

16 1 thousand five hundred in the latest preceding certified

16 2 federal census, for a public fire station.

16 3 (c) Five hundred thousand dollars for a city with

16 4 a population between seven thousand eight hundred and

16 5 seven thousand eight hundred fifty, for a public fire

16 6 station.

16 7 ~~—3. 2.~~ Grant awards for a project under subsection

16 8 ~~2 1~~, paragraph “b”, are contingent upon submission of a

16 9 plan for each project by the applicable county or city

16 10 governing board or in the case of a project submitted

16 11 pursuant to subsection ~~2 1~~, paragraph “b”, subparagraph

16 12 (2), subparagraph division (b), by the board of

16 13 directors, to the ~~Iowa jobs board~~ authority, no later

16 14 than September 1, 2009, detailing a description of

16 15 the project, the plan to rebuild, and the amount

16 16 or percentage of federal, state, local, or private

16 17 matching moneys which will be or have been provided for

16 18 the project. Funds not utilized in accordance with

16 19 subsection ~~2, paragraph “b”, due to failure to file a~~

16 20 ~~plan by the September 1 deadline 1~~, shall revert to the

16 21 ~~Iowa jobs restricted revenue bonds~~ capitals fund to be

16 22 ~~available for local infrastructure competitive grants.~~

16 23 A grant recipient under subsection ~~2 1~~, paragraph

16 24 “b”, shall not be precluded from applying for a local

16 25 infrastructure competitive grant pursuant to this

16 26 section and section 16.195.

16 27 ~~—4.—~~ Moneys in the fund are not subject to section

16 28 ~~8.33. Notwithstanding section 12C.7, subsection 2,~~

16 29 ~~interest or earnings on moneys in the fund shall be~~

16 30 ~~credited to the fund.~~

16 31 ~~—5. 3.~~ Annually, on or before January 15 of

16 32 each year, the ~~board~~ authority shall report to the

16 33 legislative services agency and the department of

16 34 management the status of all projects receiving  
 16 35 moneys from the fund completed or in progress. The  
 16 36 report shall include a description of the project, the  
 16 37 progress of work completed, the total estimated cost of  
 16 38 the project, a list of all revenue sources being used  
 16 39 to fund the project, the amount of funds expended, the  
 16 40 amount of funds obligated, and the date the project  
 16 41 was completed or an estimated completion date of the  
 16 42 project, where applicable.  
 16 43 ~~—6. 4.~~ Payment of moneys appropriated from the  
 16 44 fund shall be made in a manner that does not adversely  
 16 45 affect the tax-exempt status of any outstanding bonds  
 16 46 issued by the treasurer of state.  
 16 47 Sec. 27. Section 16.197, Code 2013, is amended to  
 16 48 read as follows:  
 16 49 16.197 LIMITATION OF LIABILITY.  
 16 50 ~~—A member of the Iowa jobs board, a person acting~~  
 17 1 ~~on behalf of the board while acting within the scope~~  
 17 2 ~~of their employment or agency. The authority~~ or the  
 17 3 treasurer of state, shall not be subject to personal  
 17 4 liability resulting from carrying out the powers and  
 17 5 duties of the ~~board~~ authority or the treasurer, as  
 17 6 applicable, in sections ~~16.192 16.193~~ through 16.196.  
 17 7 Sec. 28. IOWA JOBS BOARD — TRANSITION PROVISIONS  
 17 8 — LIMITATION OF LIABILITY.  
 17 9 1. Any contract or agreement issued or entered into  
 17 10 by the Iowa jobs board relating to the provisions of  
 17 11 this division of this Act, in effect on the effective  
 17 12 date of this division of this Act, shall continue  
 17 13 in full force and effect and any responsibility of  
 17 14 the board relative to the contracts or agreements as  
 17 15 provided in those contracts or agreements shall be  
 17 16 transferred to the Iowa finance authority.  
 17 17 2. A member of the Iowa jobs board or a person  
 17 18 acting on behalf of the board while acting within  
 17 19 the scope of that person's employment or agency shall  
 17 20 not be subject to personal liability resulting from  
 17 21 carrying out the powers and duties of the board prior  
 17 22 to the effective date of this division of this Act,  
 17 23 as applicable, in sections 12.87 through 12.90 and in  
 17 24 sections 16.192 through 16.196, Code 2013.  
 17 25 Sec. 29. REPEAL. Sections 16.191 and 16.192, Code  
 17 26 2013, are repealed.

17 27 DIVISION X  
 17 28 MISCELLANEOUS CODE CHANGES

Division X makes miscellaneous changes to the Iowa Code.

17 29 Sec. 30. Section 8.57, subsection 5, paragraph  
 17 30 e, subparagraph (1), subparagraph division (a),  
 17 31 subparagraph subdivision (i), Code 2013, is amended to  
 17 32 read as follows:

17 33 (i) ~~Notwithstanding provisions to the contrary~~  
 17 34 ~~in sections 99D.17 and 99F.11, for~~ For the fiscal  
 17 35 year beginning July 1, 2000, and for each fiscal year  
 17 36 thereafter, not more than a total of sixty-six million  
 17 37 dollars shall be deposited in the general fund of the  
 17 38 state in any fiscal year pursuant to sections 99D.17 and  
 17 39 99F.11.

17 40 Sec. 31. Section 8.57, subsection 5, paragraph  
 17 41 e, subparagraph (1), subparagraph division (d),  
 17 42 subparagraph subdivision (i), Code 2013, is amended to  
 17 43 read as follows:

17 44 (i) The total moneys in excess of the moneys  
 17 45 deposited under this paragraph "e" in the revenue  
 17 46 bonds debt service fund, the revenue bonds federal  
 17 47 subsidy holdback fund, the vision Iowa fund, the school  
 17 48 infrastructure fund, and the general fund of the state  
 17 49 in a fiscal year shall be deposited in the rebuild Iowa  
 17 50 infrastructure fund and shall be used as provided in  
 18 1 this section, notwithstanding section 8.60.

18 2 Sec. 32. Section 8.57, subsection 5, paragraph  
 18 3 e, subparagraph (1), subparagraph division (d),  
 18 4 subparagraph subdivision (ii), Code 2013, is amended by  
 18 5 adding the following new subparagraph part:  
 18 6 NEW SUBPARAGRAPH PART (C) For the fiscal year  
 18 7 beginning July 1, 2013, and ending June 30, 2014,  
 18 8 thirty-four million one hundred twenty thousand dollars  
 18 9 shall be deposited in the general fund of the state and  
 18 10 the remainder shall be deposited in the rebuild Iowa  
 18 11 infrastructure fund.

18 12 Sec. 33. Section 8.57C, subsection 3, Code 2013, is  
 18 13 amended to read as follows:

18 14 3. a. There is appropriated from the general fund  
 18 15 of the state for the fiscal year beginning July 1, ~~2013~~  
 18 16 2014, and for each subsequent fiscal year thereafter,  
 18 17 the sum of seventeen million five hundred thousand  
 18 18 dollars to the technology reinvestment fund.

18 19 b. There is appropriated from the rebuild Iowa  
 18 20 infrastructure fund for the fiscal year beginning  
 18 21 July 1, 2008, and ending June 30, 2009, the sum of  
 18 22 seventeen million five hundred thousand dollars,  
 18 23 and for the fiscal year beginning July 1, 2009, and  
 18 24 ending June 30, 2010, the sum of fourteen million five

CODE: Alters the wagering tax allocations under Iowa Code section 8.57 for FY 2014.

DETAIL: For FY 2014, the amount deposited to the General Fund is reduced by \$30,630,000. The total \$30,630,000 is deposited in the RIIF. Therefore, the wagering tax allocations for FY 2014 will be allocated as follows, in order:

- \$55,000,000 for revenue bonds debt service.
- \$3,750,000 to the Federal Subsidy Holdback Fund.
- \$1,250,000 to the General Fund.
- \$15,000,000 to Vision Iowa bond debt service.
- \$5,000,000 to School Infrastructure bond debt service.
- \$34,120,000 to the General Fund.
- Remainder to the RIIF.

FISCAL IMPACT: Under current law, the General Fund receives a total of \$66,000,000 from wagering tax revenue. The change reduces the wagering tax revenue deposited in the General Fund by \$30,630,000 for FY 2014. The change increases wagering tax revenue deposited in the RIIF by same amount.

The other wagering tax allocations are not affected.

*The House reduces the amount of wagering tax revenue to the General Fund by \$46,000,000 in FY 2014 and \$66,000,000 in FY 2015 and subsequent years, directing \$42,000,000 of that to the Environment First Fund, and the remainder to the RIIF.*

CODE: Reduces the standing appropriation of \$17,500,000 from the General Fund to the Technology Reinvestment Fund (TRF) for FY 2014.

DETAIL: The standing appropriation from the General Fund is \$17,500,000. The appropriation is reduced for FY 2014 by \$4,103,000, for a total of \$13,397,000. The TRF funding is expected to resume at the statutory amount from the General Fund in FY 2015. For FY 2009 through FY 2012, the funding for the TRF has been shifted to the RIIF at reduced amounts. In FY 2013, the TRF received \$20,000,000 from wagering tax receipts. Division VI transfers \$4,103,000 from the General Fund to the RIIF for FY 2014.

18 25 hundred twenty-five thousand dollars to the technology  
 18 26 reinvestment fund, notwithstanding section 8.57,  
 18 27 subsection 5, paragraph "c".  
 18 28 c. There is appropriated from the rebuild Iowa  
 18 29 infrastructure fund for the fiscal year beginning  
 18 30 July 1, 2010, and ending June 30, 2011, the sum of ten  
 18 31 million dollars to the technology reinvestment fund,  
 18 32 notwithstanding section 8.57, subsection 5, paragraph  
 18 33 "c".  
 18 34 d. There is appropriated from the rebuild Iowa  
 18 35 infrastructure fund for the fiscal year beginning July  
 18 36 1, 2011, and ending June 30, 2012, the sum of fifteen  
 18 37 million five hundred forty-one thousand dollars to the  
 18 38 technology reinvestment fund, notwithstanding section  
 18 39 8.57, subsection 5, paragraph "c".  
 18 40 e. There is appropriated from the general fund of  
 18 41 the state for the fiscal year beginning July 1, 2013,  
 18 42 and ending June 30, 2014, the sum of thirteen million,  
 18 43 three hundred ninety-seven thousand dollars to the  
 18 44 technology reinvestment fund, notwithstanding section  
 18 45 8.57, subsection 5, paragraph "c".

18 46 Sec. 34. Section 15F.204, subsection 5, Code 2013,  
 18 47 is amended by adding the following new paragraph:  
 18 48 NEW PARAGRAPH c. Priority to projects under this  
 18 49 subsection shall be given to projects that attract the  
 18 50 highest number of visitors and that attain the highest  
 19 1 match levels.  
 19 2 Sec. 35. Section 15F.204, subsection 8, paragraph  
 19 3 g, Code 2013, is amended to read as follows:  
 19 4 g. For each fiscal year for the fiscal period  
 19 5 beginning July 1, 2012, and ending June 30, ~~2014~~ 2016,  
 19 6 the sum of ~~five~~ ten million dollars.

*The House shifts funding for the TRF from the General Fund to the RIIF for both FY 2014 and FY 2015, but maintains the statutory amount.*

CODE: Section 34 adds new criteria for prioritizing projects in the CAT Grant Program. Section 35 extends the sunset on the multiyear appropriation from the RIIF for the Community Attraction and Tourism (CAT) Grants through FY 2016 and increases the level of funding to \$10,000,000 annually.

DETAIL: The RIIF appropriation of \$5,000,000 annually for the CAT Grant Program was scheduled to sunset at the end of FY 2014. While the multiyear appropriation has been in Iowa Code, funding levels have varied. In FY 2013 the appropriation was \$5,000,000 from the RIIF. In FY 2012, the CAT Grant Program received \$5,300,000 from the RIIF and \$2,020,000 from the RBC2. The Program received a \$12,000,000 appropriation from the RBC2 in FY 2011. In FY 2009, the Program received a \$12,000,000 appropriation from the RIIF and \$12,000,000 from the RBC for FY 2009, but the RBC funding was not available until FY 2010. The multiyear appropriations that were provided in Iowa Code section 15F.204, originally consisted of \$5,000,000 from the RIIF and \$7,000,000 from the General Fund. House File 648 (FY 2012 Infrastructure Appropriations Act) eliminated the General Fund appropriations for the remaining fiscal years.

Projects are approved through the Vision Iowa Board and must meet the definition of vertical infrastructure. Over the course of the Program, projects have been funded in 98 of the State's 99 counties. Eligible applicants include cities, counties, public organizations, or school districts in cooperation with city or county. Per Iowa Code section

15F.204, one-third of the funds must be allocated to projects in cities with populations of 10,000 or less or in counties with populations that rank in the 33 least populated counties. Applicants may not receive more than 50.00% of the total cost of the project.

Funding is used for renovation of buildings for purposes of exhibition spaces, art centers, museums, theatres, aquatic centers, equine centers, and other community public spaces, construction of libraries and community centers, development of recreational trails, and other improvements in local communities. Recent projects include the Cedar Valley SportsPlex in Waterloo, Historic Osceola Depot and Visitors Center, Greater Des Moines Botanical Center, Fort Madison Sports Complex, Barrick Road Bicycle/Pedestrian Bridge in Janesville, Kossuth County Agriculture and Motorsports Museum in Algona, Family Museum in Bettendorf, Blank Park Zoo in Des Moines, Indianola Wellness Center, Stanton Viking Center, Louisa County Fair Youth Center in Columbus Junction, Koser Spring Lake Park in Cherokee, Avery Theater in Garner, and the Johnny Carson Birthplace Home in Corning. According to a press release by the IEDA in April 2013, since its inception, the CAT Program has leveraged more than \$1,000,609,000 of direct investment in total project costs from 370 project awards.

*The House extends the sunset on the appropriation through FY 2015, but maintains the funding level of \$5,000,000. The House does not change the criteria for prioritizing projects.*

19 7 Sec. 36. Section 99D.14, subsection 2, paragraph c,  
19 8 Code 2013, is amended to read as follows:  
19 9 c. Notwithstanding sections 8.60 and 99D.17,  
19 10 the portion of the fee paid pursuant to paragraph  
19 11 "a"relating to the costs of the commission shall ~~not be~~  
19 12 ~~deposited in the general fund of the state but instead~~  
19 13 ~~shall~~ be deposited into the gaming regulatory revolving  
19 14 fund established in section 99F.20.

CODE: Makes conforming changes to an Iowa Code section related to wagering tax receipts to reflect changes made in Sections 37 through 39, eliminating the reference to the deposit to the General Fund.

*The House makes the same change.*

19 15 Sec. 37. Section 99D.17, Code 2013, is amended to  
19 16 read as follows:  
19 17 99D.17 USE OF FUNDS.  
19 18 Funds received pursuant to sections 99D.14 and  
19 19 99D.15 shall be deposited ~~in the general fund of~~  
19 20 ~~the state as provided in section 8.57, subsection 5,~~  
19 21 and shall be subject to the requirements of section  
19 22 8.60. These funds shall first be used to the extent

CODE: Sections 37,38,and 39 make changes to the wagering taxes on adjusted gross receipts from riverboat and land-based casinos by eliminating the reference to the deposit in the General Fund and adding the reference that wagering taxes will be allocated in accordance with Iowa Code section 8.57.

DETAIL: The wagering tax allocations have occurred in accordance with Iowa Code section 8.57(e) since the 1996 Legislative Session

19 23 appropriated by the general assembly. The commission  
 19 24 is subject to the budget requirements of chapter 8 and  
 19 25 the applicable auditing requirements and procedures of  
 19 26 chapter 11.

19 27 Sec. 38. Section 99F.10, subsection 4, paragraph c,  
 19 28 Code 2013, is amended to read as follows:

19 29 c. Notwithstanding sections 8.60 and 99F.4,  
 19 30 the portion of the fee paid pursuant to paragraph  
 19 31 "a" relating to the costs of the commission ~~shall not be~~  
 19 32 ~~deposited in the general fund of the state but instead~~  
 19 33 shall be deposited into the gaming regulatory revolving  
 19 34 fund established in section 99F.20.

19 35 Sec. 39. Section 99F.11, subsection 3, paragraph e,  
 19 36 Code 2013, is amended to read as follows:

19 37 e. The remaining amount of the adjusted gross  
 19 38 receipts tax shall be credited ~~to the general fund of~~  
 19 39 ~~the state~~ as provided in section 8.57, subsection 5.

19 40 DIVISION XI  
 19 41 CHANGES TO PRIOR APPROPRIATIONS

19 42 Sec. 40. 2007 Iowa Acts, chapter 219, section 2, as  
 19 43 amended by 2011 Iowa Acts, chapter 133, section 32, and  
 19 44 2012 Iowa Acts, chapter 1138, section 10, is amended  
 19 45 to read as follows:

19 46 SEC. 2. REVERSION.

19 47 1. Except as provided in subsection 2 and  
 19 48 notwithstanding section 8.33, moneys appropriated  
 19 49 for the fiscal year beginning July 1, 2007, in this  
 19 50 division of this Act that remain unencumbered or  
 20 1 unobligated at the close of the fiscal year shall not  
 20 2 revert but shall remain available for the purposes  
 20 3 designated until the close of the fiscal year that  
 20 4 begins July 1, 2010, or until the project for which  
 20 5 the appropriation was made is completed, whichever is  
 20 6 earlier.

20 7 2. a. Notwithstanding section 8.33, moneys  
 20 8 appropriated in section 1, subsection 1, paragraphs  
 20 9 "a" and "f" of this division of this Act that remain  
 20 10 unencumbered or unobligated at the close of the fiscal  
 20 11 year for which they were appropriated shall not revert  
 20 12 but shall remain available for the purposes designated  
 20 13 until the close of the fiscal year that begins July  
 20 14 1, ~~2012~~ 2013, or until the project for which the  
 20 15 appropriation was made is completed, whichever is  
 20 16 earlier.

20 17 b. The department of administrative services

when the General Assembly directed all but \$60,000,000 of wagering tax receipts to the newly created RIIF. Allocations have been adjusted over the years. The language in subsection (e) had to notwithstanding the language in Iowa Code sections 99D.17 and 99F.11 and added an extra layer that was unnecessary given the drafting changes to that subsection over the years. The changes being made to reflect that allocations are in accordance with Iowa Code section 8.57 are being made for conforming and technical reasons.

*The House makes the same changes.*

Division XI makes changes to appropriations previously enacted in session law.

Extends the reversion on the FY 2008 RIIF appropriations to the DAS for costs associated with leases and relocation of State agencies located off of the Capitol Complex and with the restoration and development of the West Capitol Terrace through the end of FY 2014.

DETAIL: The DAS received appropriations of \$1,824,500 for leases and relocation and \$1,600,000 for Phase II of the restoration and development of the West Capitol Terrace. The relocation and tenant improvement work, including work at the Iowa and Wallace Buildings, has been delayed while the DAS evaluated use of downtown space, and the Iowa and Wallace Buildings. Pending the demolition of the Iowa Building, scheduled for summer 2013, and direction from the Governor and the General Assembly on renovation of the Wallace Building, the DAS will complete the use of these funds. Additional work on the West Capitol Terrace project was delayed until the DAS received further direction on the demolition or sale of 707/709 E. Locust Street (Rowhouse and Community College Trustees buildings). The Rowhouse is being relocated by a private entity to elsewhere in the East Village. The Community College Trustees building will be demolished. Once action on the properties is completed in 2013, the Phase II work for the West Capitol Terrace will continue. The Phase II work is primarily at the western end of the terrace along E. 7th Street. The two appropriations received extensions on reversions in the 2011 and the 2012 Legislative Sessions.

NOTE: The language in paragraph (b) is from the 2011 Legislative

20 18 is authorized to provide for the disposition and  
 20 19 relocation of structures located at 707 east locust  
 20 20 and 709 east locust, Des Moines, Iowa, in a manner as  
 20 21 deemed appropriate by the department. The disposition  
 20 22 of the structures, if possible, shall be completed in  
 20 23 a manner that reduces or eliminates the costs of the  
 20 24 state associated with the removal of the structures  
 20 25 from their current locations. Any amount received from  
 20 26 the disposition of the structures as permitted under  
 20 27 this section shall be retained by the department to pay  
 20 28 for improvement costs associated with the restoration  
 20 29 of the west capitol terrace. The department, if unable  
 20 30 to otherwise dispose of the structures, is authorized  
 20 31 to demolish the structures using other appropriate  
 20 32 funding available to the department.

20 33 Sec. 41. 2008 Iowa Acts, chapter 1179, section 20,  
 20 34 as amended by 2009 Iowa Acts, chapter 173, section 25,  
 20 35 is amended to read as follows:

20 36 SEC 20. REVERSION.

20 37 1. Notwithstanding Except as provided in  
 20 38 subsections 2 through 4 and notwithstanding section  
 20 39 8.33, moneys appropriated in this division of this Act  
 20 40 for the fiscal year beginning July 1, 2008, and ending  
 20 41 June 30, 2009, shall not revert at the close of the  
 20 42 fiscal year for which they are appropriated but shall  
 20 43 remain available for the purposes designated until the  
 20 44 close of the fiscal year that begins July 1, 2012, or  
 20 45 until the project for which the appropriation was made  
 20 46 is completed, whichever is earlier.

20 47 2. Notwithstanding section 8.33, moneys  
 20 48 appropriated in section 18, subsection 9, paragraph  
 20 49 "a", of this division as amended by 2009 Iowa Acts,  
 20 50 chapter 173, section 24, that remain unencumbered or  
 21 1 unobligated at the close of the fiscal year for which  
 21 2 they were appropriated shall not revert but shall  
 21 3 remain available for the purposes designated until the  
 21 4 close of the fiscal year that begins July 1, 2017, or  
 21 5 until the project for which the appropriation was made  
 21 6 is completed, whichever is earlier.

21 7 3. Notwithstanding section 8.33, moneys  
 21 8 appropriated in section 18, subsection 1, paragraph  
 21 9 "h", of this division of this Act as amended by  
 21 10 2009 Iowa Acts, chapter 173, section 23, that remain  
 21 11 unencumbered or unobligated at the close of the fiscal  
 21 12 year for which the appropriation was made shall not  
 21 13 revert but shall remain available for the purpose  
 21 14 designated until the close of the fiscal year that

Session and was pulled in the Bill for technical reasons to show all of the subsection being amended, but is not providing any new authorization to the DAS.

*The House provides the same extensions.*

Extends the reversion on several FY 2009 RBC appropriations including the Iowa Veterans Home, DAS Major Maintenance, CAT Grant Program, River Enhancement Community Attraction Tourism (RECAT) Grant Program, and the ACE Vertical Infrastructure Program.

DETAIL: The RBC appropriations were enacted in SF 376 (Revenue Bonding and JOBS Program Act) during the 2009 Legislative Session. The RBC appropriations were not available until FY 2010 when the bonds were issued, so reversions given in the Act were through FY 2013. The FY 2009 RBC appropriations are as follows:

- The Iowa Veterans Home received \$22,555,239 from the RBC for the State match for renovation of the facilities. The IVH Dack and Malloy Buildings renovation is being put out for bid in spring 2013 and it is anticipated the federal grant will be received shortly thereafter. The 72-Bed Community Living Center project is not yet on the federal priority list for funding, but in order to be eligible the State match must be on record. The extension for the IVH is through FY 2018.
- The DAS received \$14,624,923 from the RBC for major maintenance. Projects have been underway, but may carry into the next year. The extension for the DAS major maintenance is through FY 2014. For a discussion about major maintenance through the DAS Vertical Infrastructure Program see the annotation in Section 1.1.
- The CAT Grant Program through the IEDA received \$12,000,000 for FY 2009 from the RBC. For a discussion about the CAT Grant Program see the annotation in Section 34. The CAT appropriation is extended through FY 2015 due to outstanding obligations on the funds granted.
- The RECAT Grant Program through the IEDA received \$10,000,000 from the RBC, but that was reduced to \$9,200,000

21 15 begins July 1, 2013, or until the project for which  
 21 16 the appropriation was made is completed, whichever is  
 21 17 earlier.  
 21 18 4. Notwithstanding section 8.33, moneys  
 21 19 appropriated to the department of economic development  
 21 20 in section 18 of this division of this Act as amended  
 21 21 by 2009 Iowa Acts, chapter 173, section 24, and  
 21 22 2011 Iowa Acts, chapter 133, section 34, that remain  
 21 23 unencumbered or unobligated at the close of the fiscal  
 21 24 year for which the appropriation was made shall not  
 21 25 revert but shall remain available for the purpose  
 21 26 designated until the close of the fiscal year that  
 21 27 begins July 1, 2014, or until the project for which  
 21 28 the appropriation was made is completed, whichever is  
 21 29 earlier.

21 30 Sec. 42. 2008 Iowa Acts, chapter 1179, section 23,  
 21 31 is amended to read as follows:  
 21 32 SEC 23. REVERSION. Notwithstanding section 8.33,  
 21 33 moneys appropriated in this division of this Act for  
 21 34 the fiscal year beginning July 1, 2008, and ending June  
 21 35 30, 2009, shall not revert at the close of the fiscal  
 21 36 year for which they are appropriated but shall remain  
 21 37 available for the purposes designated until the close  
 21 38 of the fiscal year that begins July 1, ~~2012~~ 2013, or  
 21 39 until the project for which the appropriation was made  
 21 40 is completed, whichever is earlier.

21 41 Sec. 43. 2009 Iowa Acts, chapter 173, section 15,  
 21 42 is amended to read as follows:

in the 2011 Legislative Session. With other deappropriations during the 2011 Legislative Session in HF 648 (FY 2012 Infrastructure Appropriations Act), the RECAT Program has not received new project funding since the RBC appropriation. As of March 2013, approximately \$168,904 of the appropriation has not been allocated through grants and is available. The RECAT appropriation is extended through FY 2015 due to outstanding obligations on the funds granted. Section 1.3 provides \$2,000,000 to the RECAT from the RIIF for FY 2014.

- The ACE Vertical Infrastructure Program for community colleges received \$5,500,000 from the RBC. At that time, funding was directed through the IEDA for the Program, as opposed to the current process that sends the funding to the community colleges via the Department of Education. Projects are ongoing and outstanding obligations remain on the funds allocated. For a discussion for the ACE Infrastructure Program for community colleges see the annotation in Section 1.4(a). Use of the funding is extended through FY 2015.

*The House provides the same extensions.*

Extends the reversion of the FY 2009 appropriation from the Prison Bonding Fund for prison construction project at Fort Madison through the end of FY 2014.

DETAIL: The construction project for the Iowa State Penitentiary at Fort Madison received an FY 2009 appropriation of \$130,677,500 from the FY 2009 Prison Bonding Fund in SF 2432 (FY 2009 Infrastructure Appropriations Act). In addition, HF 648 (FY 2012 Infrastructure Appropriations Act) provided a total of \$26,424,201 from the RIIF over three fiscal years for one-time costs for the furniture, fixtures, and equipment costs to complete construction for a new maximum security prison at Fort Madison. One-time costs include generators, building management security systems, cabinets, camera and recording systems, furnishings, and other supplies and equipment. The new prison is expected to be substantially complete by spring 2013 and be open and running by January 2014. According to design work to date, the new prison will have 800 beds in the maximum security prison, representing a net gain of 120 beds.

*The House provides the same extension.*

Extends the reversion of two FY 2010 RBC appropriations to the Iowa Finance Authority (IFA) for wastewater treatment grants and affordable

21 43 SEC 15. REVERSION.

21 44 1. Notwithstanding Except as provided in

21 45 subsections 2 and 3 and notwithstanding section 8.33,

21 46 moneys appropriated in this division of this Act for

21 47 the fiscal year beginning July 1, 2009, and ending June

21 48 30, 2010, shall not revert at the close of the fiscal

21 49 year for which they are appropriated but shall remain

21 50 available for the purposes designated until the close

22 1 of the fiscal year that begins July 1, 2012, or until

22 2 the project for which the appropriation was made is

22 3 completed, whichever is earlier.

22 4 2. Notwithstanding section 8.33, moneys

22 5 appropriated in section 13, subsection 4, paragraph

22 6 "a", of this division of this Act that remain

22 7 unencumbered or unobligated at the close of the fiscal

22 8 year for which the appropriation was made shall not

22 9 revert but shall remain available for the purposes

22 10 designated until the close of the fiscal year that

22 11 begins July 1, 2014, or until the projects for which

22 12 the appropriation was made are completed, whichever is

22 13 earlier.

22 14 3. Notwithstanding section 8.33, moneys

22 15 appropriated in section 13, subsection 4, paragraph

22 16 "d", of this division of this Act as amended by 2010

22 17 Iowa Acts, chapter 1184, section 65, that remain

22 18 unencumbered or unobligated at the close of the fiscal

22 19 year for which the appropriation was made shall not

22 20 revert but shall remain available for the purposes

22 21 designated until the close of the fiscal year that

22 22 begins July 1, 2013, or until the projects for which

22 23 the appropriation was made are completed, whichever is

22 24 earlier.

22 25 Sec. 44. 2009 Iowa Acts, chapter 184, section

22 26 1, subsection 1, paragraph "c" is amended to read as

22 27 follows:

22 28 c. For costs associated with improvements to and

22 29 renovation of the Wallace building for extending the

22 30 useful life of the building:

22 31 ..... \$ 1,500,000

22 32 Of the amount appropriated in this lettered

22 33 paragraph, \$800,000 shall be allocated for relocation

22 34 costs for moving employees out of the Wallace building

22 35 including moving costs and lease adjustments. As a

22 36 condition of this allocation, all employees currently

22 37 located in the Wallace building shall be relocated to a

22 38 new office location by December 31, 2013, pursuant to

22 39 the department's competitive bidding process for office

housing assistance grants.

DETAIL: The IFA received \$55,000,000 from the RBC for water quality and wastewater improvement projects. Of that amount, \$35,000,000 was required to be allocated for projects in small communities with populations of fewer than 10,000 people. The legislation, SF 376 (Revenue Bonds and I-JOBS Program Act), required the IFA to establish and administer a water quality financial assistance program. The purpose of the program was to provide additional financial assistance to communities receiving loans from the existing mechanism for water pollution and drinking water improvements under Iowa Code section 16.131. There are outstanding obligations on the RBC appropriation so use of the funding is extended through FY 2015.

Senate File 376 also created the Affordable Housing Assistance Grant Program under the IFA for grants to assist in obtaining affordable housing for certain elderly, disabled, low-income people, as well as attract new people for public service jobs that are facing critical shortage in the State. The new Program received \$20,000,000 from the RBC in FY 2010. There are outstanding obligations on the funds, so the reversion is extended through FY 2014.

*The House provides the same extensions.*

Adds language to an FY 2010 RIF appropriation for improvements at the Wallace Building that requires \$800,000 to be used for relocation costs for moving employees out of the Wallace Building by December 31, 2013.

DETAIL: In addition to the \$800,000, a total of \$2,300,000 is allocated in Section 1 for relocation costs for moving employees from the Wallace Building. Section 45 extends the reversion on the FY 2010 appropriation through FY 2014. Section 1.1(c) provides planning and design funding for the future disposition or renovation of the Wallace Building.

*The House does not add this language to the FY 2010 appropriation for relocation costs.*

22 40 space.

22 41 Sec. 45. 2009 Iowa Acts, chapter 184, section 4, is  
 22 42 amended to read as follows:  
 22 43 SEC. 20. REVERSION.  
 22 44 1.—For Except as provided in subsection 2, for  
 22 45 purposes of section 8.33, unless specifically provided  
 22 46 otherwise, unencumbered or unobligated moneys made from  
 22 47 an appropriation in this division of this Act shall not  
 22 48 revert but shall remain available for expenditure for  
 22 49 the purposes designated until the close of the fiscal  
 22 50 year that ends three years after the end of the fiscal  
 23 1 year for which the appropriation was made. However, if  
 23 2 the project or projects for which such appropriation  
 23 3 was made are completed in an earlier fiscal year,  
 23 4 unencumbered or unobligated moneys shall revert at the  
 23 5 close of that same fiscal year.  
 23 6 2. Notwithstanding section 8.33, moneys  
 23 7 appropriated in section 1, subsection 1, paragraphs “c”  
 23 8 and “e”, of this division of this Act shall not revert  
 23 9 but shall remain available for the purposes designated  
 23 10 until the close of the fiscal year that begins July 1,  
 23 11 2013, or until the project for which the appropriation  
 23 12 was made is completed, whichever is earlier.

Extends the reversion of the FY 2010 RIIF appropriation to the DAS for Wallace Building improvements and Capitol restoration through the end of FY 2014.

DETAIL: The DAS received \$1,500,000 for Wallace Building improvements in FY 2010 to extend the useful life for approximately five years while the General Assembly and Governor determined the future of the building. Funds were used to demolish the parking deck and install stairways and walkways on the north side of the building. In addition, the DAS planned to install windows between the atrium and floors three through five to help with more efficient HVAC and better sound control. The DAS also planned to renovate the vacant lab space. The projects for improvements are in progress and funds are obligated. For additional discussion about the Wallace Building see the annotation for Section 1.1(c). Section 44 allocates \$800,000 of the appropriation for relocation costs for moving employees from the Wallace Building by December 31, 2013.

The DAS received \$5,000,000 for interior and exterior restoration to the Capitol Building, including compliance with building codes and federal ADA. The DAS has not received any new funding for Capitol restoration since the FY 2010 appropriation. Funds have been used for improvements and repairs to the sprinkler system, plaster, corridor finishes, fire systems, door security, building accessibility, and lighting. Other improvements included restoration painting, installation of carpet, replacement of elevators, and enclosing the first floor opening in the rotunda. Of the appropriation, approximately \$270,000 remains available for additional improvements. In particular, the DAS has identified the need for installation of a lighting protection system at the Capitol. The project is estimated at \$600,000. Section 1.1(d) appropriates an additional \$330,000 for the project. Use of the FY 2010 funds is extended through FY 2014.

*The House provides the same extensions.*

23 13 Sec. 46. 2011 Iowa Acts, chapter 133, section 3,  
 23 14 subsection 5, paragraph a, as amended by 2012 Iowa  
 23 15 Acts, chapter 1140, section 17, is amended to read as  
 23 16 follows:  
 23 17 a. To be used for medical contracts under the  
 23 18 medical assistance program for technology upgrades  
 23 19 necessary to support Medicaid claims and other health

Adjusts the multiyear TRF appropriations to the DHS for Medicaid Technology by eliminating the FY 2014 and FY 2015 appropriations.

DETAIL: The DHS received a total of \$14,375,060 over four fiscal years for Medicaid technology upgrades. Funds are being used to upgrade the IT system that supports Medicaid claims processing and other health plan operations through the Medicaid Management

23	20	operations, worldwide HIPAA claims transactions and		
23	21	coding requirements, and the Iowa automated benefits		
23	22	calculation system:		
23	23	FY 2011-2012 .....	\$	3,494,176
23	24	FY 2012-2013 .....	\$	4,120,037
23	25	FY 2013-2014 .....	\$	4,815,163
23	26			0
23	27	FY 2014-2015 .....	\$	1,945,684
23	28			0

23 29 In seeking to contract with a private organization  
 23 30 or organizations for the Medicaid management  
 23 31 information system, the state's chief information  
 23 32 officer shall oversee the procurement process. An  
 23 33 advisory panel shall be established to review the final  
 23 34 scoring of the evaluators and to make a recommendation  
 23 35 to the director regarding the contract award for the  
 23 36 Medicaid management information system. The advisory  
 23 37 panel, which shall be appointed by the Governor, shall  
 23 38 consist of no less than three members. All members of  
 23 39 the advisory panel shall be from the private sector and  
 23 40 shall not have participated in any previous procurement  
 23 41 for the Medicaid management information system or any  
 23 42 procurement related to consulting or oversight of the  
 23 43 Medicaid management information system. At least one  
 23 44 member of the advisory panel shall have experience and  
 23 45 knowledge in the area of management information systems  
 23 46 and at least one member of the advisory panel shall be  
 23 47 a provider of Medicaid services in the state of Iowa.

23 48 Sec. 47. 2012 Iowa Acts, chapter 1140, section 1,  
 23 49 subsection 1, paragraph a, unnumbered paragraph 2, is  
 23 50 amended to read as follows:  
 24 1 The moneys appropriated in this lettered paragraph  
 24 2 shall be used according to the department's major  
 24 3 maintenance project recommendation list ~~submitted~~  
 24 4 ~~to the Governor's vertical infrastructure advisory~~  
 24 5 ~~committee.~~

Information System (MMIS). In addition, the funds are being used for IT upgrades for the HIPAA 5010/ICD-10 claims transaction and coding requirements. Lastly, the funds are being used for the comprehensive eligibility system, known as the Iowa Automated Calculation System (IABC). The federal match for the funds was 90.00% for the new system implementation costs. Due to a court challenge to the contract awarded for the MMIS upgrades, that portion of the project is delayed several months. In January 2013, the DHS issued a 90-day termination notice letter on the contract per the Polk County District Court decision from December 2012. The DHS is in the process of rebidding the project and indicates that the agency is working with the State's Chief Information Officer for the process. With the deappropriations, total funding that has been appropriated is \$7,614,217.

Requires the Chief Information Officer to oversee the procurement process for the MMIS and for an advisory panel to be established to review the final scoring. The advisory panel will be appointed by the Governor and will have at least three members, with certain qualifications.

*The House shifts \$500,000 from the FY 2014 appropriation to the FY 2015 appropriation, but maintains the total level of funding. The House does not have the additional language regarding procurement or the advisory panel.*

Makes a technical correction to the DAS appropriation for major maintenance for FY 2013 by removing an obsolete reference to the Iowa Vertical Infrastructure Advisory Committee (VIAC).

DETAIL: The VIAC was established by Executive Order 3 in 1999 to annually develop, and submit to the Governor, recommendations for maintaining and updating the inventory and assessment of the State's infrastructure, develop and evaluate priorities for needs of existing buildings, and develop five-year comprehensive plans for the priority of capital projects for specified State infrastructure. The VIAC submitted annual reports and recommendations to the Governor and the General Assembly. The DAS provided staffing for the VIAC. The DAS Vertical Infrastructure Program vetted projects through the VIAC. On August 30, 2012, the Governor issued Executive Order 79 that rescinded previous executive orders, including Executive Order 3. With the elimination of the VIAC, the DAS has advised that its Vertical Infrastructure Program will function as before.

*The House makes the same technical correction.*

24 6 Sec. 48. 2012 Iowa Acts, chapter 1140, section  
 24 7 1, subsection 3, paragraph a, is amended to read as  
 24 8 follows:  
 24 9 a. For exterior and interior repairs and related  
 24 10 improvements to the state historical building,  
 24 11 including the addition of a visitor center:  
 24 12 FY 2012-2013 ..... \$ 1,450,000  
 24 13 FY 2013-2014 ..... \$ 1,000,000  
 24 14 Notwithstanding section 8.57, subsection 5,  
 24 15 paragraph "c", moneys appropriated in this lettered  
 24 16 paragraph may be used to study a public-private  
 24 17 partnership to sell the existing building and to  
 24 18 relocate the historical building on the capitol  
 24 19 complex, including a visitor center. Any design for a  
 24 20 new state historical building shall be compatible and  
 24 21 consistent with the historical design of all buildings  
 24 22 on the capitol complex.  
 24 23 By October 15, 2014, the department shall submit a  
 24 24 report to the general assembly on the results of the  
 24 25 study of the building including the use of anticipated  
 24 26 cash flow needs for the projected building.

Adjusts the previously enacted RIF appropriation to the DCA for improvements to the Historical Building by adding language regarding a study. The DCA is required to study a public private partnership to sell the existing building and to relocate the building with a visitor center somewhere on the Capitol Complex. Any design must be compatible and consistent with the historical design of all buildings on the Complex. The DCA is required to submit a report to the General Assembly on or before October 15, 2014, about the results of the planning and study of the building, including the anticipated cash flow for the final building design.

DETAIL: The DCA received \$1,450,000 for FY 2013 and \$1,000,000 for FY 2014 for improvements to the building. The new authorization for planning notwithstanding the definition of vertical infrastructure.

During FY 2012, the DCA hired a museum consultant to complete a needs assessment and make recommendations for improvements. According to the consultant, the building has millions in deferred maintenance and has several issues that need addressing in order for the museum to follow best practices for construction standards and to ensure that collections are not at risk. The consultant provided three scenarios: addressing deferred maintenance only; renovation of the west wing and rebuilding the east wing; or demolition and complete rebuilding. If funded, the DCA anticipates moving toward the renovation scenario, potentially including a visitor center that complements the West Capitol Terrace. Based on the consultant's proposed changes, the estimated project cost is \$90,000,000. The scope and design of the project are not yet completed. Of the FY 2013 appropriation, \$1,150,000 remains available for use for repairs or for planning. Construction of the current Historical Building was first approved during the 1982 Legislative Session with HJR 2003 that accepted the Glenn Grover Herrick bequest for the purchase or construction of a State Historical Building. The building was completed in 1987 for an estimated \$25,000,000. Of that amount, \$15,000,000 was from private donations, including \$5,000,000 from the Herrick bequest and interest on those funds.

*The House increases the FY 2014 appropriation to \$1,800,000 and provides language allowing planning and study, including public input. The House has the same reporting requirement. The House does not include the language to relocate the building.*

24 27 Sec. 49. EFFECTIVE UPON ENACTMENT. This division  
 24 28 of this Act, being deemed of immediate importance,

Division XI is effective on enactment.

- 24 29 takes effect upon enactment.
- 24 30 2 Title page, by striking line 3 and inserting
- 24 31 infrastructure fund, the technology reinvestment fund,
- 24 32 and the general fund of the state,

**Notes:**

\*House Action adjusts a net total of \$41.2 million from the \$130.5 million current law appropriations in FY 2014 RIIF by moving the funding for the Environment First Fund to being a wagering tax allocation in accordance with Iowa Code section 8.57, and adding \$800,000 to the previously enacted appropriation for the Historical Building Renovation for FY 2014. Senate Action adjusts FY 2014 current law appropriations by increasing the funding for CAT grants by \$5.0 million. These changes to the RIIF are not reflected on this spreadsheet, but are reflected on the RIIF Balance Sheet.

\*House Action extends the sunset on the previously enacted RIIF appropriation of \$5.0 million to the Community Attraction and Tourism (CAT) Grants through FY 2015. In addition to the increased funding level for CAT grants, the Senate Action extends the sunset through FY 2016. The appropriations for CAT are not reflected on this spreadsheet, but are reflected on the RIIF Balance Sheet.

\*House Action shifts the standing appropriation for the TRF from the General Fund to the RIIF for FY 2014 and FY 2015. The Senate Action does not make this change. This appropriation from the RIIF to the TRF is not reflected here to avoid double counting the technology appropriations.

\*Senate Action has a contingent appropriation of \$2.5 million for FY 2015 for a bus rapid transit service. The contingent appropriation will not be reflected until the contingency has been met by December 31, 2014, and the appropriation takes effect.

\*House Action appropriates \$15.6 million to the High Quality Jobs Program from the RIIF in HF 638. The Senate appropriates \$18.0 million for the High Quality Jobs Program from the General Fund in SF 430 (FY 2014 Economic Development Appropriations Bill).

\*\*House Action adjusts a total of \$500,000 from the \$10.4 million current law appropriations in FY 2014 TRF by moving the funding to another fiscal year. The multiyear Medicaid technology appropriation is reduced for FY 2014 by \$500,000 and increased by the same amount in FY 2015. The Senate Action eliminates both the FY 2014 and FY 2015 appropriations for Medicaid technology. These changes to the TRF are not reflected on this spreadsheet, but are reflected on the TRF balance sheet.

**Notes:**

- 1) Wagering tax estimates account for all allocations in Iowa Code section 8.57 that occur before the remainder deposits in the RIIF. In addition, the five-year tax credits for land-based and riverboat casinos that began in FY 2009 and FY 2011, respectively, are included, as well as the license fees paid by the Lyon County casino.
- 2) House Action adjusts estimated FY 2013 by transferring the unobligated balance of the Property Tax Credit Fund to the RIIF before June 30, 2013. Senate Action makes the same transfer and also includes a General Fund supplemental appropriation of \$20.0 million.
- 3) House Action alters the funding source for the Environment First Fund (EFF) by moving it to being a wagering tax allocation in Iowa Code section 8.57, before the remainder deposits in the RIIF. The funding level of \$42.0 million for the EFF is maintained. Senate Action does not make this change and maintains the EFF as a standing appropriation from the RIIF.
- 4) For FY 2014, House Action reduces the wagering tax allocation to the General Fund by \$46.0 million, and deposits \$42.0 million to the EFF, as discussed above, and an additional \$4.0 million in the RIIF. Beginning in FY 2015, House Action makes a permanent change, reducing wagering tax revenue to the General Fund by the full \$66.0 million and providing \$42.0 million of that to the EFF and the remaining \$24.0 million to the RIIF. For FY 2014, Senate Action reduces the wagering tax allocation to the General Fund by \$30.6 million. The wagering tax revenues to the RIIF are increased by the same amount. The Senate makes the change solely for FY 2014.
- 5) Both House and Senate Action transfer remaining CHIP Contingency Fund, \$11.3 million, to the RIIF and direct the funds to DAS major maintenance. Senate Action transfers \$4.1 million from the General Fund to the RIIF for FY 2014. The House does not make this transfer. House Action transfers unobligated Grow Iowa Values Fund monies, estimated at \$15.6 million, to the RIIF and then directs the funds to the High Quality Jobs Program and Manufacturing Innovation Hub. The Senate appropriates for those items in SF 430 (FY 2014 Economic Development Appropriations Bill).
- 6) House Action adjusts previously enacted appropriations by adding \$800,000 to the previously enacted appropriation for the Historical Building Renovation, for a total of \$1.8 million, and extending the sunset on the \$5.0 million appropriation for the CAT Grants through FY 2015. Senate Action adjusts current law appropriations in FY 2014 by increasing the funding for CAT grants by \$5.0 million. In addition to increasing the CAT grant funding level, Senate Action extends the sunset through FY 2016.
- 7) Senate Action has a contingent appropriation of \$2.5 million for FY 2015 for a bus rapid transit service. The contingent appropriation will not be reflected in the balance sheet until the contingency has been met by December 31, 2014 and the appropriation takes effect.

**Notes:**

1) House Action adjusts \$500,000 from the \$10.4 million in current law appropriations by moving the funding to another fiscal year. The previously enacted multiyear appropriation for Medicaid technology is reduced by \$500,000 in FY 2014, but increased by the same amount in FY 2015.

2) Senate Action adjusts a total of \$4.8 million in current law appropriations by eliminating the Medicaid technology appropriation for FY 2014. In addition, Senate Action eliminates the \$1.9 million previously enacted for Medicaid technology in FY 2015. With that FY 2015 change, the Senate amendment does not have any appropriations for FY 2015.
